Awakening Spirit Pathways:

Awakening to the Spirit Within: Eight Paths Pamela Smith Allen, PhD, 2003-09-12 The premise of Awakening to the Spirit Within is that all beings are connected by a spiritual energy which forms the essence of who they truly are Eight paths which facilitate an awakening to this essence are explored Native American Spirituality Taoism Hinduism Buddhism Kabbalah Jesus and the Christ Within Sufism and The New Thought Movement Practice exercises and references are also included This book highlights some of the unique gifts which various spiritual traditions have to offer our world In addition it explores the mystical threads of connection which underlie them Like the title suggests it also gives ways of listening to guidance from within The author includes messages from her own inner guidance in an effort to illustrate how this may occur Her openness provides more warmth and intimacy than is usually found in such a book In these uncertain times there has been an upsurge of interest in books related to spirituality religion and mysticism People are looking for ways to heal rather than destroy our planet That is why this book and others like it are so timely and important in moving us closer to our shared goal of creating a more peaceful and harmonious world *Lessons from Sedona: a Spiritual Pathway to Serenity and Contentment* Lewis Tagliaferre, 2010-04-16 Based upon the works of some of the worlds greatest thinkers Lessons from Sedona A Spiritual Pathway to Serenity and Contentment by author Lewis Tagliaferre builds on the success of his first volume Voices of Sedona This new comprehensive collection of essays is designed to teach the fundamental principles of Theofatalism the belief that God runs everything in the universe from the smallest subatomic particle to the largest interstellar galaxy The essays link the five principles developed in Voices of Sedona to contemporary issues in society and personal living including politics science religion aging history and economics Useful for both self study and as lesson guides to be used in organized discussion groups the essays show the world as it really is from many different perspectives A comprehensive and formidable source on metaphysics and spirituality Lessons from Sedona A Spiritual Pathway to Serenity and Contentment provides a plethora of information for those interested in growing changing and transcending the limiting constrictions of consensus beliefs It communicates humankinds unique place in time and space and their special role in the giant jigsaw puzzle of life The Pathway of the Spirit John Hamlin Dewey, 1890 *The Spirit's Pathway Traced* James Martin Peebles, 1906 *A Spiritual Pathway to Recovery from Addiction, A Physician's Journey of Discovery* Linville M.
