Breakthrough Fast Guillermo Maldonado, 2018-12-18. If today's believers only knew the spiritual power for breakthrough that comes through fasting, they would practice it more. A breakthrough is a sudden spiritual burst that pushes us beyond our limitations and into deliverance and freedom. Many Christians are struggling with a need for guidance, deliverance from long-term issues, and answers to perplexing circumstances, and they desperately need breakthroughs. Furthermore, as the second coming of the Lord draws near, we are dealing with demonic powers that have never before been seen on the earth. Our need to pray and fast has intensified because this is the only way we can be prepared to confront these destructive powers. Now is the time to press through to breakthrough by developing a lifestyle of fasting and prayer. Learn what fasting is, the different types of fasts, and their benefits, and how to fast effectively. Fasting is one of the keys to entering the presence of God. Allow God to deliver you, transform you, and use you as a vessel of His supernatural power in the world as you discover how to enter into a Breakthrough Fast. Your Father, who sees your fasting in secret, will reward you openly. Matthew 6:18.

Christian Fasting Kent D. Berghuis, 2007. This complete study of fasting moves through all the relevant passages in both Old and New Testaments, then surveys various periods of church history and then draws balanced, well-supported conclusions with special reference to the doctrines of sanctification and longing for Christ's return. Most importantly, its conclusions are practical and provide a framework for contemporary Christian fasting. Christian fasting must ultimately be centered on Christ, reflect proper ways of engaging the human body in sanctification, and remember the corporate nature of the believer community. It is hoped that this book will set fasting in an appropriate, positive theological context so that its biblical and Christian heritage might be expressed in renewed spiritual expressions.
