Exam Content Response Types There are two types of questions on the examination: Multiple choice (Has one correct response and three incorrect responses, distractors) and Multiple response (Has two or more correct responses out of five or more options). Select one or more responses that best complete the statement or answer the question. Distractors or incorrect answers are response options that an examinee with incomplete knowledge or skill would likely choose. However, they are generally plausible responses that fit in the content area defined by the test objective. Unanswered questions are scored as incorrect; there is no penalty for guessing. Unscored Content: Your examination may include non-scored questions that are placed on the test to gather statistical information. These questions are not identified on the form and do not affect your score.

Content Outline This exam guide includes weightings, test domains, and objectives only. It is not a comprehensive listing of the content on this examination. The table below lists the main content domains and their weightings.

Domain	% of Examination
Domain 1 Deployment	22%
Domain 2 Security	26%
Domain 3 Development with AWS Services	30%
Domain 4 Refactoring	10%
Domain 5 Monitoring and Troubleshooting	12%

AWS Certified Developer Associate (DVA-C01) Exam - Practice Tests Savitra Sirohi, 2019-05-27. This book includes two practice tests with 20 questions each. These tests are modeled on the online practice tests conducted by AWS for this particular exam. Questions have been designed according to domains, weights, and objectives described in the AWS exam blueprint for this exam. 3-4 questions are of the multiple selections type; the rest are multiple choice type. Correct answers along with explanations are included. A scoring tool to help analyze areas of improvement is included. These tests are representative of the exam; you should see similar questions when you take the actual exam. However, these tests may not be valid in other words; your performance in the exam may not be the same as your performance in these tests.
