Necroscope: Invaders Brian Lumley, 2000-05-15 Jake wants revenge against the Italian mobsters who killed the woman he loved Vampire hunting can wait until his own bloodlust is satisfied And then Jake discovers that the gangsters he s trying to kill are vampire spawn hidden for two generations in human guise [Necroscope](#) Brian Lumley, 2001-04 It seemed that the Earth and the Vampire World had been cut off from each other for eternity While the monsters seem to have vanished the world s saviour is also dead Only E Branch a motley collection of spies and psychics remains a safeguard **E-Branch** Brian Lumley, 1999 The first book in an entirely new series from one of the masters of modern day horror [Necroscope: Defilers](#) Brian Lumley, 2000-05-19 Jake wants revenge against the Italian mobsters who killed the woman he loved Vampire hunting can wait until his own bloodlust is satisfied And then Jake discovers that the gangsters he s trying to kill are vampire spawn hidden for two generations in human guise **Ghoul Warning and Other Omens** Brian Lumley, 2024-11-14 There have been several editions of this book Now it comes to you with five additional poems that have been found in recent years It is believed there is only one poem that remains lost In the Acrostics section you will find Fantasy Crossroads Pesh Tlen The Skull of HPL and Maggot In Odds and Ends section you will find A Dreamer The least of Lumley s books this one is the rarest and the most sought after by collectors The least not only because it s a very slim volume but also because it s a book of poetry and the author doesn t claim to be a poet any more than he would claim to be a watchmaker And if he did claim to be a poet well he knows it would be disputed First published by Spectre Press in 1982 if you were lucky enough to get one of the limited copies hold on to it It s different and entertaining to read **The Encyclopedia of Vampires, Werewolves, and Other Monsters** Rosemary Guiley, 2004 Monsters and shape shifters have always held a special fascination in mythologies legends and folklore the world over From ancient customs to famous cases of beasts and vampires and their reflections in popular culture 600 entries provide definitions explanations and lists of suggested further reading *Beneath the Moors* Brian Lumley, 2019-12-24 Prof Ewart Masters spends his convalescence following a car accident at the home of his nephew Jason Masters pursuing his studies of ancient civilizations during which he makes startling discoveries about the hidden city beneath the Yorkshire moors His search to unravel the mystery of the green figurines his efforts to assess the implications of Robert Krug s manuscript lead ultimately to Devil s Pool and the surviving world of Lh yib culminating in a series of dream like adventures as he wanders through the nightmare corridors of his new environment Beneath the Moors is primarily Gothic in atmosphere its brooding mystery and stark terror occasionally relieved by bits of quiet charm and subtle humor And the author s straightforward autobiographical technique possesses an element of immediacy seldom achieved in this type of narrative **Invaders** Brian Lumley, 2001 **Brian Lumley's The Best of the Rest** Brian Lumley, 2023-11-11 From the Introduction This pretty much is what the title says Many of the stories novellas here will have only been done in limited print runs such as in fanzines magazines pamphlets special editions or online magazines It s a mixed genre of stories

and these are what Brian considers the best of the rest of the stories in his body of work We've got 111 000 words in this collection so that means lots of enjoyment in what is likely the last collection coming from Brian The Challenge As some fools do But do you dare Yes Well don't The Man Who Photographed Beardsley They should have been pictures from life or was he simply impatient The Cyprus Shell There are some you can eat while others have their own pick me ups Clean Slate If you're in debt to the Devil don't mess with look a like sisters The Deep Sea Conch Some species build nests while others are much like the cuckoo The Ugly Act But what's a pimple or two if there's only you Irving's Story Her downstairs knew best every time The Running Man It may be true you can run but as for finding a place to hide Somebody Calling The only way she could He simply had to listen harder Vanessa's Voice Both beautiful and deadly The Vehicle Some might think of him that way others as a dyadic personality Mandraki Take care who you lie down with and where Two Stone Tom Yes except he was an entire science heavier than that The Long Last Night Was it just a myth or a Mythos The Weird Wines of Naxos Niss A wizard's stolen potion is another man's gateway to Nirvana maybe Stealer of Dreams Always remember once they're gone they might stay gone

Harry and the Pirates Brian Lumley, 2009-07-21 Three long stories from Brian Lumley featuring Harry Keogh the original Necroscope Never before published in the US Harry Keogh the first Necroscope is arguably Brian Lumley's greatest creation In the Necroscope series readers saw Harry learn to use his powers to talk with the dead and travel instantaneously to any point in space and time They saw him take arms against the evil twisted metamorphic alien vampires who sought to feed off humans and enslave mankind They saw him suffer a great personal loss and then recover his family and later his humanity through a new love And they saw Harry wage the grimmest battle of his life against the vampire he himself was becoming Even after Harry's story was done Brian Lumley continued to write books about Harry's legacy the other Nescroscopes who inherited his weird talents But Harry himself would not go quietly into that darkness that lies beyond an author's imagination and now Brian Lumley has written three new novellas about Harry and his supernatural adventures which are published for the first time in the United States in Harry and the Pirates At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied
