**Project** Erik W. Larson, Clifford F. Gray, 2013-10-16 As the market leading textbook on the subject Project Management The  
 Managerial Process is distinguished by its balanced treatment of both the technical and behavioral issues in project  
 management as well as by its coverage of a broad range of industries to which project management principles can be applied  
 It focuses on how project management is integral to the organization as a whole The text not only delivers the tools and  
 processes is essential to successful project management but also an understanding that the effectiveness of these tools and  
 methods are shaped and determined by the prevailing culture of the organization and interpersonal dynamics of the people  
 involved As such Larson Gray presents a holistic view that focuses on methodology as well as the human dimension and how  
 they interact to determine the outcome of projects Connect is the only integrated learning system that empowers students by
