## **The Obree Way:**

The Obree Way Graeme Obree,2018-02-08 A must read book to make you faster on the bike Cycling Weekly Graeme Obree is genius in the true sense of the word Sir Chris Hoy multiple Olympic cycling champion A fully updated edition of twice world hour record holder and twice world 4000m pursuit champion Graeme Obree s popular guide to cycling No one but Graeme Obree has the clarity of vision to get to the heart of the problem of how to improve as a racing cyclist His innovative approach took him to the top of world cycling twice breaking the world hour record This practical guide to revolutionising your cycling training applicable to all cyclists from the weekend warrior to the serious competitor swerves conventional wisdom and strips cycling back to its elements always asking the question What actually improves my race time Fully updated this cycling classic reveals Graeme Obree s radical insights into technique training psychology and diet and the clear logic behind them It is certain to help cyclists get the most out of their training This edition is a mono version of the 2018 revised second edition

**The Obree Way** Graeme Obree,2013-10-10 How to get the most out of your cycling training the tricks of the trade from the inimitable Graeme Obree

**Into the Suffersphere** Jon Malnick,2016-08-31 According to the website of The Velominati the self professed Keepers of the Cog the optimal number of bikes owned is  $n + 1$  where  $n$  is the number of bikes owned But there s also an important corollary  $s + 1$  where  $s$  is the number of bikes that will cause your wife or partner to leave you Into the Suffersphere Cycling and the Art of Pain is a brilliantly witty account of one former racer s exploration of whether cycling is the one sport that pushes its participants to the very limits of human endurance and delves painfully into the role that physical and mental suffering can play in this elite endurance sport Drawing together sporting history and pro cycling interviews and investigating current medical business and psychological theories this is the story of the extraordinary lengths to which minds and bodies can be pushed Peppered with recollections from the author s own racing experiences and offering a fascinating insight into the unique allure of pain in a sporting context Into the Suffersphere explores a side of cycling that you would never have dreamed of not even in your worst nightmare An essential read for all MAMILs middle aged men in Lycra and fans of sports writing and smart thinking

**How to Win at 5-a-Side** Nick Ascroft,2016-08-25 The culmination of years of 5 a side football experience this celebrated manual to scaled down soccer success covers every element of the game and features expert advice on how to organise a winning team Written with authority passion and a sense of fun How to Win at 5 a side covers all of the game s essential skills including goalkeeping defending marking and shooting as well as other less conventional but still important components such as maintaining team moral buttering up the referee and wasting time when your team is ahead Illustrated throughout with photographs and diagrams to show real game situations and featuring exclusive contributions from former professional footballers and coaches How to Win at 5 a side is all you need to take your team to the next level

**Free Speed** Paul Eaglestone,2025-05-01 Free Speed is coach Paul Eaglestone s breakthrough training method that combines efficient

swimming technique with a pace setting formula to achieve faster triathlons The idea behind Paul s innovative training system is loosely based on ultra short race pace training but with fewer sets and maintaining effort levels rather than working at constant maximum effort By measuring efficiency through stroke count against time specific goals and with Paul s swimming technique including better muscle performance the triathlete is able to preserve energy for the cycling and running legs of the triathlon without sacrificing pace in the water In the book Paul explains how to train and practice using the best swim technique and how to improve pace over short distances using his 17 20 method before progressing to race distance as well as every other aspect of triathlon swimming basic equipment race planning open water swimming starts and turns and more His method brings a cycling mentality to swimming through hydrodynamics attention to detail and marginal gains through mental training The readers are also given the tools to design their own training sessions based on their own specific goals and targets and always with an eye on getting the most out of each session Swim faster triathlons with Free Speed

**The Best of Bicycling** Peter Flax, Editors of Bicycling Magazine, 2011-11-15 Bicycling magazine celebrated its 50th anniversary in 2011 For half a century the magazine has been the world s leading authority on bicycling bringing its readers the latest advice and some of the most sharp and illuminating sports stories ever told To celebrate Bicycling s rich tradition of top notch narratives Editor in Chief Peter Flax has selected a collection of its best pieces The 19 stories anthologized here are simply the best stories the magazine has ever published and they feature some of the best writers working today including Christopher McDougall Mary Roach and Bill Strickland There are more than a few unforgettable profiles of legendary cyclists and there are pieces that brilliantly demonstrate the transformative powers of riding a bike There is comedy suffering beauty and existential angst as well as writing that will make you smile and maybe break your heart too

**The Race Against Time** Edward Pickering, 2013-05-09 When Chris Boardman first raced against Graeme Obree in a time trial in Newtonards Northern Ireland in 1990 it was the start of a rivalry that captivated the British public for a decade and brought cycling on to the front pages Boardman was the establishment figure reserved scientific middle class Obree was the rebel the Flying Scotsman working class riding a home made bike Both were after one thing to be the fastest man on two wheels After Boardman had won Britain s first cycling gold medal for 72 years at the Barcelona Olympics inspiring none other than Bradley Wiggins to get on a bike attention turned to the world hour record the blue riband event of track cycling Between 1993 and 1996 the pair took it in turns to smash the record with Boardman s team breaking the boundaries of technology and the loner Obree constantly reinventing ways of building and riding bikes while battling his many demons The Race Against Time tells the story of how Britain first started to dominate cycling but is also about the struggle between art and science tradition and innovation commercialism and individuality It is the tale of two complex characters who redefined the sport and set in motion a new era in British cycling the legacy of which we enjoy to this day
