far as it is necessary On the other hand there is Roman Catholic religion which the Spanish under Hernan Cort s brought to America One chapter is dedicated to The Virgin of Guadalupe the patron saint of the Chicanos the descendants of Indians and Spaniards Bless me Ultima as a work of the Mexican American author Rudolfo Anaya represents the religious opposites Mexican Americans have to deal with and it shall therefore serve as a source of examples to show the complexity of Chicano beliefs Bless Me, Ultima Sparknotes,Rudolfo A. Pulido,2000 SACRED WORLD OF PENITENTES Alberto L. Pulido,2000-07-17 On the isolated frontiers of the Spanish empire Catholicism flourished with little direction or support from the centers of colonial power in Mexico Hispano Catholics in the Southwest fashioned a self reliant lay religion that was intimately connected to their everyday experiences From this tradition emerged Los Hermanos Penitentes of New Mexico a brotherhood that has led Hispano communities both in worship and in practical measures such as collective irrigation and harvest since the end of eighteenth century Yet in accounts that range from nineteenth century pastoral letters to sensational mid twentieth century magazine exposes the brotherhood has been cast as a group of religious primitives who practice self flagellation and other bizarre rituals Drawing on seven years of research and extensive interviews with several penitentes Alberto Lopez Pulido focuses on their core religious concept of doing penance through charity prayer and the good example He explains that for the penitentes prayer is a form of action and acts of charity are tantamount to prayer and that both

provide good examples to the brotherhood and the community at large Lopez Pulido argues that such teachings which have flourished outside the boundaries of institutional Catholicism should be seen as creative practical and lived religious expression rather than as deviancy Allowing penitentes oral histories to reveal their views of the sacred Lopez Pulido shows how the brotherhood s practices have continued to maintain community identity and purpose throughout northern New Mexico
