Critique of Architecture Douglas Spencer,2021-01-18 Critique of Architecture offers a renewed and radical theorization of the relations between capital and architecture It explicates the theoretical gymnastics

through which architecture legitimates its services to neoliberalism examines the discipline's production of platforms for happily compliant consumers and challenges its entrepreneurial self image Critique of Architecture also addresses the discourse of autonomy questioning its capacity to engage effectively with the terms and conditions of capitalism today analyses the post political turns of contemporary architecture theory and reckons with the legacies and limitations of critical theory

A Generation of Sociopaths Bruce Cannon Gibney, 2017-03-07 In his remarkable Men's Journal and controversial Fortune book written in a wry amusing style The Guardian Bruce Cannon Gibney shows how America was hijacked by the Boomers a generation whose reckless self indulgence degraded the foundations of American prosperity In A Generation of Sociopaths Gibney examines the disastrous policies of the most powerful generation in modern history showing how the Boomers ruthlessly enriched themselves at the expense of future generations Acting without empathy prudence or respect for facts acting in other words as sociopaths the Boomers turned American dynamism into stagnation inequality and bipartisan fiasco The Boomers have set a time bomb for the 2030s when damage to Social Security public finances and the environment will become catastrophic and possibly irreversible and when not coincidentally Boomers will be dying off Gibney argues that younger generations have a fleeting window to hold the Boomers accountable and begin restoring America
