Fanny Marcel Pagnol English:

Translation and Adaptation Into English of the French Plays "Marius" and "Fanny" by Marcel Pagnol Marcel Pagnol, Jay W. Lees, 1953

Jerry Herman Stephen Citron, 2008-10-01 This revealing and comprehensive book tells the full story of Jerry Herman's life and career from his early work in cabaret to his recent compositions for stage screen and television. Stephen Citron draws on extensive open-ended interviews with Jerry Herman as well as with scores of his theatrical colleagues, collaborators, and close friends. The resulting book, which sheds new light on each of Herman's musicals and their scores, abounds in fascinating anecdotes and behind-the-scenes details about the world of musical theater. Readers will find a sharply drawn portrait of Herman's private life and his creative talents. Citron's insights into Herman's music and lyrics, including voluminous examples from each of his musicals, are as instructive as they are edifying and entertaining.

The Encyclopedia of Best Films Jay Robert Nash, 2019-10-23 This all-inclusive A-Z encyclopedia by one of the world's foremost experts on cinema provides comprehensive annotations of the best films produced from 1914 on. The work offers more than 5,000 three- to five-star entries: three stars (good), four stars (excellent), five stars (masterpiece), and yes, author Jay Robert Nash has viewed every single one of them, as well as many more that did not make the cut. In addition to a precis, each film's entry also includes a listing of the cast, as well as the key principles involved in production, from the director to the hair stylist. Especially unique to this book is a rating system that helps parents determine whether or not a film is appropriate for their children. Unlike the industry rating system, which can be influenced by studio lobbying, Nash objectively evaluates each film and confers upon it one of four recommendations for viewing: recommended, acceptable, cautionary, and unacceptable. Backmatter includes a list of top films by genre (i.e., animated, drama, sports, mystery, adventure, etc.) as well as an annotated name index listing all persons mentioned, along with their dates of birth and death. Rounding out this essential volume for the film buff are over 500 still photos from the author's private collection.
