

The Odyssey Socratic Seminar

In preparation for our Socratic Seminar, answer the following prompt on a separate sheet of paper. Each prompt should be answered thoroughly with concrete details and analytical insights. After you elaborate on each prompt, devise at least TWO Level 2/3 questions to pose to the entire class. You will be graded on the depth of your answers and your thoughtful participation in the Socratic Seminar.

Socratic Seminar Guidelines

- Be on time in your seat when the bell rings with your notebook and readings (the *Odyssey* text) and writing utensils to take notes.
- You will discuss the questions as a class. The discussion is up to you. This is a group conversation between students. Moderate yourselves appropriately.
- One person talks at a time. Speak up so everyone can hear you.
- Be courteous, no jeering. Respect different thoughts and ideas. You can disagree with someone's analysis, but you should be focused on discussion rather than debating or arguing.
- Pay strict attention to each person as he/she speaks and listen carefully when you are waiting to speak. You will not receive points for repeating somebody else's information. You will lose points if you engage in side conversations with your neighbor, distract yourself or others around you, etc.
- You **MUST** participate at least 2-3 times. Failure to participate will result in failure of this assignment. Simply saying "I agree" will not earn you points. You must explain and elaborate on all ideas. Use concrete details from the text. You will be graded on the analysis and depth of your answers.
- Do not hog the conversation either. If you have already spoken then encourage others by asking questions. However, do not directly call another person out for not speaking.

Rubric (5 possible points for each contribution)

5 – Responded to the question with in-depth analysis and concrete details that promoted more discussion

4 – Responded to the question with analysis and concrete details

3 – Responded to the question with some analysis and mainly summary (possibly textual evidence)

2 – Responded to the question with summary or restatement; lack of in-depth analysis; no textual

evidence 1 – Responded to the question with a short comment that leaves the discussion hanging; no textual support

Prep Questions

On a separate sheet of paper, answer the following questions thoroughly in complete sentences. Describe specific events and cite passages to support your answers.

1. Aside from being courageous, intelligent, and determined, what qualities and traits make Odysseus an admirable hero? How does this make him a hero? Think of varied, interesting, and specific adjectives!

Odysseus is resourceful, persuasive, and strong. His is resourceful when he creates a plan to escape Polyphemus, and he was resourceful when he said his name was no man, until he ruined that part. He is persuasive when he influences his men and convinces other people to help him. Like when he gets the Phaeacian's to help him. These traits make him a hero because they help him overcome his challenges and survive to make it home.
2. What flaws does Odysseus possess? How do his flaws affect him and those around him on his journey?
Odysseus is very reckless and prideful. He calls out to Polyphemus after he manages to escape, giving away his full name and address. This causes Poseidon to hate him, which doesn't play out well for Odysseus.
