Case Study 1: Roommate Conflict (Personal Conflict)

Ayesha and Sana are university roommates. Ayesha is a morning person and prefers to sleep early, while Sana stays up late watching Netflix. Ayesha has an 8 AM psychology class and has been losing sleep because of Sana's late-night noise. They have had multiple arguments, but Sana insists she needs time to relax. Their friendship is starting to suffer.

Questions:

1. What type of conflict is this?
 2. What are the main concerns of both parties?
 3. If you were Ayesha, how would you communicate your concerns effectively?
 4. How can Sana accommodate Ayesha's concerns without feeling restricted?
 5. What conflict resolution strategies could help them find a win-win solution?
-

Case Study 2: Miscommunication in a Workplace Team (Workplace Conflict)

Ali is working on a group project for his internship at a research center. His team leader, Bilal, gives instructions through emails, but Ali prefers face-to-face discussions. Due to miscommunication, Ali submitted an incomplete report, and Bilal was frustrated. Instead of discussing the issue, Bilal publicly criticized Ali during a team meeting. Ali feels embarrassed and is now avoiding work.

Questions:

1. What went wrong in this situation?
 2. What type of conflict is this?
 3. What could Bilal have done differently as a leader?
 4. If you were Ali, how would you address the situation?
 5. What strategies could help improve communication in workplace teams?
-

Case Study 3: Family Business Dispute (Interpersonal & Financial Conflict)

A father and son run a small business together. The son wants to modernize the business by launching an online store, but the father believes their traditional methods have worked fine for decades. Their disagreements have become heated, and now they barely speak to each other at work.

Questions:

1. What type of conflict is this?
 2. Why might the father resist change? Why might the son be frustrated?
 3. How could they communicate their perspectives without damaging their relationship?
 4. What negotiation techniques could they use to reach a compromise?
 5. What would be the benefits of listening to each other's perspectives?

Workplace Conflict Resolution Case Studies:

Case Studies in Project, Program, and Organizational Project Management Dragan Z. Milosevic, Peerasit Patanakul, Sabin Srivannaboon, 2010-04-19 The ever expanding market need for information on how to apply project management principles and the PMBOK contents to day to day business situations has been met by our case studies book by Harold Kerzner That book was a spin off from and ancillary to his best selling text but has gained a life of its own beyond adopters of that textbook All indications are that the market is hungry for more cases while our own need to expand the content we control both in print and online would benefit from such an expansion of project management case content The authors propose to produce a book of cases that compliment Kerzner s book A book that offers cases beyond the general project management areas and into PMI s growth areas of program management and organizational project management The book will be structured to follow the PMBOK in coverage so that it can not only be used to supplement project management courses but also for self study and training courses for the PMP Exam PMI PMBOK PMP and Project Management Professional are registered marks of the Project Management Institute Inc

[Business Management Essentials from Modern and Buddhist Perspectives](#) Titus De Silva, PhD, 2026-04-23 *Business Management Essentials from Modern and Buddhist Perspectives* presents a holistic approach to management by combining contemporary business functions with Buddhist teachings that have sustained the Buddhist community for over 2 500 years. The book uniquely covers 17 business functions through both modern and Buddhist perspectives featuring 112 citations from the original Pali canon and 30 verses from the Dhammapada. Unlike other works on business and Buddhism it specifically draws from the Theravada tradition that originated during Buddha's time avoiding inaccuracies found in other texts while using illustrative stories to demonstrate how poor management decisions can lead to failures. This distinctive work stands apart from previous books on business and Buddhism by providing in depth analysis of individual business functions rather than general principles offering organisations a path to develop management systems based on ethical and moral principles. Each chapter methodically demonstrates how Buddhist practices can enhance business effectiveness creating mutual benefits for businesses and all stakeholders including employees customers shareholders suppliers communities and governments ultimately promoting organisational systems that contribute positively to humanity while ensuring business survival in today's competitive environment.
