extinction As can and should be expected Nigeria and Nigerians at home and abroad have not been exempt from these discourses especially in the past few years as the countrys nascent and fledging democracy became embarrassingly threatened to the point of abortion within Nigeria and the international community of nations In ones sober moments the realisation that Nigeria is fast becoming another failed state procures rather scary thoughts The United States Catalog Mary Burnham,Carol Hurd,1928 *The Publishers Weekly* ,1897 The Indian Geographical Journal ,1926
