Management Essentials Therese Linton, 2019 *Essentials of Management -- 12e* Andrew J. DuBrin, 2024-10 *Essentials of Management* is written for newcomers to the field of management and for experienced managers seeking updated information and a review of the fundamentals. It is also written for the many professionals and technical people who work closely with managers and who take their turn at performing some management work. An example would be the member of a cross-functional team who is expected to have the perspective of a general manager. Based on extensive research about curriculum needs, the design of *Essentials of Management* addresses itself to the needs of introductory management courses and supervision courses offered in educational settings. **Management Essentials** Andrew J. DuBrin, 2012 Focus on the fundamental principles and practices of effective management today with DuBrin's comprehensive yet concise **MANAGEMENT ESSENTIALS 9E International Edition**. This brief but thorough new edition functions both as a solid introduction for new students or an in-depth review of core concepts and the latest research and applications for working professionals. Written from the first edition as an essentials text, this book is not a condensation of a larger text but provides concise, complete coverage that clearly translates the latest research theories and management experiences into actual practice. The author's proven functional approach introduces the role of a manager and today's managerial environment before exploring critical topics in planning, organizing, leading, and control. This edition addresses emerging issues such as sustainability and environmental concerns, management in difficult times, employee morale, diverse workforces, and teamwork. New coverage of ethics, personal productivity, the latest information technology, and decision making are also included. Compelling, memorable examples show how leaders effectively apply principles of management in a wide variety of business settings. New action features, new online skill builders, new cases, and video cases work with proven exercises and self-assessment quizzes to help readers develop the managerial, interpersonal, and technical skills necessary for outstanding career success. Help your students acquire the knowledge and skills to manage, lead, and successfully compete in today's rapidly changing business environment with DuBrin's **MANAGEMENT ESSENTIALS 9E International Edition**. **Diploma in**
