Eighth Grade Reading Comprehension 4: The New Kid

It was a sunny September morning when the new kid showed up in Mrs. Thompson's eighth-grade English class. His name was Alex and he wore glasses that were too big for his face. He looked nervous as he took a seat in the back of the classroom.

Mrs. Thompson welcomed Alex to the class and asked him to introduce himself. He mumbled his name and sat back down, looking at the floor.

As the class went on, the students started whispering to each other about the new kid. Some of them laughed and made fun of his glasses, while others ignored him altogether.

But one girl, named Samantha, felt sorry for Alex. She remembered how hard it was for her when she had moved to a new school last year.

During a group project, Samantha asked Alex if he wanted to work with her and her friends. He looked surprised but nodded his head.

Over the next few weeks, Samantha and her friends made sure to include Alex in their activities. They showed him around the school and helped him with his homework.

Alex started to come out of his shell and even started to smile and laugh with Samantha and her friends.

By the end of the year, Alex had made lots of new friends and felt like he belonged at his new school. And Samantha had made a new friend too.

3. What did Samantha do to help the new kid feel included?
4. Did Alex make any new friends by the end of the year?
5. What did Samantha gain by being friendly to the new kid?
