Here are the tools we need to build bridges **Disunity in Christ** Christena Cleveland,2013-11-22 Despite Jesus prayer that all Christians be one divisions have been epidemic in the body of Christ from the beginning to the present We cluster in theological groups gender groups age groups ethnic groups educational and economic groups We criticize freely those who disagree with us don't look like us don't act like us and don't even like what we like Though we may think we know why this happens Christena Cleveland says we probably don't In this eye opening book learn the hidden reasons behind conflict and divisions Learn Why I think all my friends are unique but those in other groups are all the same Why little differences often become big sources of conflict Why categorizing others is often automatic and helpful but can also have sinister side effects Why we are so often victims of groupthink and how we can avoid it Why women think men are judging them more negatively than men actually are and vice versa Why choices of language can actually affect unity With a personal touch and the trained eye of a social psychologist Cleveland brings to bear the latest studies and research on the unseen dynamics at work that tend to separate us from others Learn why Christians who have a heart for unity have such a hard time actually uniting The author provides real insight for ministry leaders who have attempted to build bridges across boundaries Here are the tools we need to understand how we can overcome the hidden forces that divide us *Dealing with Disunity in Christ's Church*

**Holy Disunity** Layton E. Williams,2019-10-08 These days there s no dirtier word than divisive especially in religious and political circles Claiming a controversial opinion talking about our differences even sharing our doubts can be seen as threatening to the goal of unity But what if unity shouldn t be our goal In Holy Disunity How What Separates Us Can Save Us Layton E Williams proposes that our primary calling as humans is not to create unity but rather to seek authentic relationship with God ourselves one another and the world around us And that means actively engaging those with whom we disagree Our religious political social and cultural differences can create doubt and tension but disunity also provides surprising gifts of perspective and grace By analyzing conflict and rifts in both modern culture and Scripture Williams explores how our disagreements and differences our disunity can ultimately redeem us Protestant Fundamentalism and the Born-again Catholic Robert Joseph Fox,1991 The Unity of the Church Lutheran World Federation.
