

The background of the cover is a dark, almost black, space filled with various microscopic organisms. The most prominent are large, spherical, yellowish-green structures with internal orange and red components, resembling spores or large bacteria. These are connected by thin, branching, yellowish-green filaments. There are also smaller, more complex structures scattered throughout, including some that look like small, multi-lobed organisms. The overall aesthetic is scientific and detailed, focusing on the intricate structures of microorganisms.
