## Housing – Renting a Home

Two factors that can influence the price of housing are:

1. **location**
2. **size**

The person who owns the property:  
**landlord**

The cost of using someone elses property:  
**rent**

The person who rents the property:  
**tenant**

Housing rental expenses to include in a spending plan are:

**rent**

**household furnishing**

**utilities**

**renters insurance**

**communications**

When comparing properties, three questions to ask a landlord about direct costs include:

1. **How much is the rent?**
2. **Who is responsible for each utility bill?**
3. **Are there additional charges for usage?**
