1. Managers must be willing to make large, painful decisions to suddenly alter strategy.  
True False
2. In a world of rapid and discontinuous change, the ability to please nonmanagerial employees has been called the golden trait among managers.  
True False
3. A business plan is a document with the purpose of outlining a proposed firm's profit and loss statements for its first operating cycle.  
True False
4. Formal business plans can be dangerous to the survival of new businesses; many who try them fail because of the resources required to write and agree upon the plan.  
True False
5. A strategy is a large-scale action plan that sets direction for an organization.  
True False
6. Strategic management is the process of involving nonmanagerial employees in the formulation and implementation of strategies and strategic goals.
