**Reconciling Truths** Kim Stanton,2022-01-15 Hundreds of commissions of inquiry have been struck in Canada since before Confederation but many of their recommendations have never been implemented *Reconciling Truths* explores the role and implications of commissions such as Canada s Truth and Reconciliation Commission and the National Inquiry into Missing and Murdered Indigenous Women and Girls and particularly their limits and possibilities in an era of reconciliation with Indigenous peoples Whether it is a public inquiry truth commission or royal commission the chosen leadership and

processes fundamentally affect its ability to achieve its mandate Kim Stanton provides examples and in depth critical analysis of these factors to offer practical guidance on how to improve the odds that recommendations will be implemented As a forthright examination of the institutional design of public inquiries Reconciling Truths affirms their potential to create a dialogue about issues of public importance that can prepare the way for policy development and shifts the dominant

Canadian narrative over time **Building Web Apps with WordPress** Brian Messenlehner,Jason Coleman,2019-12-11 WordPress is much more than a blogging platform If you have basic PHP HTML CSS and JavaScript experience you can use WordPress to develop fast scalable secure and highly customized web apps mobile apps web services and multisite networks of websites Along with core WordPress functions and database schema you ll learn how to build custom plugins themes and services for just about any kind of web or mobile application In this updated second edition Brian Messenlehner and Jason Coleman cover new features and functionality added to WordPress up to version 5 4 All code examples in the book are available on GitHub Compare WordPress with traditional app development frameworks Use themes for views and plugins for backend functionality Get suggestions for choosing or building WordPress plugins Register custom post types CPTs and taxonomies Manage user accounts and roles and access user data Build asynchronous behaviors with jQuery Use WordPress to develop mobile apps for iOS and Android Integrate PHP libraries external APIs and web service plugins Collect payments through ecommerce and membership plugins Learn how to speed up and scale your WordPress app Extend the WordPress REST API and create custom endpoints Learn about WordPress Gutenberg blocks development **The UK's Changing**

**Democracy** Patrick Dunleavy, Alice Park, Ros Taylor,2018-11-01 The UK s Changing Democracy presents a uniquely democratic perspective on all aspects of UK politics at the centre in Westminster and Whitehall and in all the devolved nations The 2016 referendum vote to leave the EU marked a turning point in the UK s political system In the previous two decades the country had undergone a series of democratic reforms during which it seemed to evolve into a more typical European liberal democracy The establishment of a Supreme Court adoption of the Human Rights Act Scottish Welsh and Northern Irish devolution proportional electoral systems executive mayors and the growth in multi party competition all marked profound changes to the British political tradition Brexit may now bring some of these developments to a juddering halt The UK s previous exceptionalism from European patterns looks certain to continue indefinitely Taking back control of regulations trade immigration and much more is the biggest change in UK governance for half a century It has already produced enduring crises for the party system Parliament and the core executive with uniquely contested governance over critical issues and a rapidly changing political landscape Other recent trends are no less fast moving such as the revival of two party dominance in England the re creation of some mass membership parties and the disruptive challenges of social media In this context an in depth assessment of the quality of the UK s democracy is essential Each of the 2018 Democratic Audit s 37 short chapters starts with clear criteria for what democracy requires in that part of the nation s political life and

outlines key recent developments before a SWOT analysis of strengths weaknesses opportunities and threats crystallises the current situation A small number of core issues are then explored in more depth Set against the global rise of debased semi democracies the book s approach returns our focus firmly to the big issues around the quality and sustainability of the UK s liberal democracy

*Law, Judges and Visual Culture* Leslie J Moran,2020-11-12 Law Judges and Visual Culture analyses how pictures have been used to make manage and circulate ideas about the judiciary through a variety of media from the sixteenth century to the present This book offers a new approach to thinking about and making sense of the important social institution that is the judiciary In an age in which visual images and celebrity play key roles in the way we produce communicate and consume ideas about society and its key institutions this book provides the first in depth study of visual images of judges in these contexts It not only examines what appears within the frame of these images it also explores the impact technologies and the media industries that produce them have upon the way we engage with them and the experiences and meanings they generate Drawing upon a wide range of scholarship including art history film and television studies and social and cultural studies as well as law and interviews with a variety of practitioners painters photographers television script writers and producers as well as court communication staff and judges the book generates new and unique insights into making managing and viewing pictures of judges Original and insightful *Law Judges and Visual Culture* will appeal to scholars postgraduates and undergraduates from a variety of disciplines that hold an interest in the role of visual culture in the production of social justice and its institutions

*Ancient Egyptian and Ancient Near Eastern Palaces* Manfred Bietak,Silvia Prell,2018 This collection of studies on palaces in Ancient Egypt is the result of a conference organised by the Austrian Academy of Sciences the University of Wurzburg and the Egypt Exploration Society from 12th to 14th of June 2013 in London The result is a compilation of information archaeological and textual one can resort to in order to develop strategies to understand architectural and functional variations and recognise schemes of building canons for palaces in Ancient Egypt In addition the understanding of Ancient Egyptian palaces is amplified with specialised studies regarding architectural and administrative terminology The combined evidence shows that there was indeed a variability in function in architecture and in the physical situation of palaces in Ancient Egypt Besides a common space program such as the succession of courtyard portico vestibule throne room and the intimate part of the palace one may observe a variability of the number of aisles or of columns present as well as in the thickness of walls This fact points to hierarchical rules concerning the importance of the building As the architecture is often preserved only in its foundations it is important to learn what kind

of walls were load bearing what the size of division walls is and which kind of walls once carried columns All these first observations have to undergo an evaluation process before one can think of discovering a building canon A general introducing section is followed by contributions covering Ancient Egyptian palaces from Predynastic times until the New Kingdom More contributions on the subject will follow in the second volume which will deal mainly with Ancient Near Eastern Palaces as outcome of a palace workshop at the 10th ICAANE held in 2016 in Vienna Together these two volumes will contribute to a better understanding of the architectural canon and diversity of palaces in Ancient Egypt and the difference in concept to their Ancient Oriental counterparts ce from SAV1 North underlines the important role Sai plays in understanding settlement patterns in New Kingdom Nubia **Kaapse bibliotekaris** ,2016 Issues for Nov 1957 include section Accessions Aanwinste Sept 1957 **Cyprus: A Conflict at the Crossroads** Thomas Diez,Nathalie Tocci,2009-08-15 This volume brings together leading scholars from various disciplines to analyse the Cyprus conflict from a number of perspectives The result is a picture of Cyprus that is unique in the nuances and multiple facets it provides Reinventing Cinema Chuck Tryon,2009 For over a century movies have played an important role in our lives entertaining us often provoking conversation and debate Now with the rise of digital cinema audiences often encounter movies outside the theater and even outside the home Traditional distribution models are challenged by new media entrepreneurs and independent film makers usergenerated video film blogs mashups downloads and other expanding networks Reinventing Cinema examines film culture at the turn of this century at the precise moment when digital media are altering our historical relationship with the movies Spanning multiple disciplines Chuck Tryon addresses the interaction between production distribution and reception of films television and other new and emerging media Through close readings of trade publications DVD extras public lectures by new media leaders movie blogs and YouTube videos Tryon navigates the shift to digital cinema and examines how it is altering film and popular culture **Spiral Hunt** Margaret Ronald,2009-01-27 Some people have the Sight Genevieve Scelan has the Scent They call her Hound and with her unique supernatural sense Evie can track nearly anything lost keys vanished family heirlooms even missing people And though she knows to stay out of the magical undercurrent that runs beneath Boston s historic streets a midnight phone call from a long vanished lover will destroy the careful boundaries she has drawn Now to pay a years old debt Evie must venture into the shadowy world that lies between myth and reality where she will find betrayal conspiracies and revelations that will shatter all she believes about herself and the city she claims as home When the Hunt is on the Hound must run **Breadline Britain** Stewart Lansley,Joanna Mack,2015-02-19 Even as the economy begins to grow again poverty in Britain is set to remain at record post war highs Food bank queues are growing and poverty related illnesses from TB to scabies are on the rise Based on compelling case studies and three decades of rigorous statistical research Stewart Lansley and Joanna Mack paint a devastating picture of t *Fishing People of the North* Courtney Carothers,2012 Nineteen peer reviewed articles are included in the proceedings of

the 2011 symposium Fishing People of the North Cultures Economies and Management Responding to Change Authors present research in the disciplines of anthropology biology and economics on fishing communities in Alaska Hawaii Canada Russia Japan and Norway Among many topics the papers cover cultural responses to climate change effects transitions in fishing communities regarding permits quotas and target species using local knowledge to preserve a fishery and to map subsistence patterns and tribal involvement in fisheries management Contributors share ways to address change and ensure that fishing remains a healthy vibrant part of northern coastal communities
