Conscious And Subconscious Mind A Path To Wisdom:

Great Moments Prakasha Shanbog,2022-06-12 We have seen people often making the statement That one moment made the difference in my life There are moments in one s life which have made a big positive impact on the individual and on the people associated with that person There are other moments which add to the positive impact of earlier moments There are moments which did not make any impact on the individual and just passed off unnoticed Maybe we can call these as neutral moments People also experience moments which created some negative impact The great moment was the one when you took that decision which turned out to be the best decision It changed your life and made enormous changes for the people associated with you either in your professional or personal life this book is about such moments Why does a moment become great Who makes the moment great Is it the individual experiencing it Is the surrounding ambience responsible for the great moment or is it the people with whom the individual is associated These are the questions to be debated This book does not really teach you any technique or skill to make your moments great The book is a collection of essays on divergent topics The essays as you read through will trigger a debate in you through which you will develop some unique insights of your own Insights are purely individual s experience and derivatives These insights will be responsible to lead you to the arena of great moments
