

CORRUPTION: CAUSES, CONSEQUENCES AND CURES

*U Myint**

The paper stresses the need to keep the issue of corruption squarely in view in the development agenda. It discusses the causes and consequences of corruption, especially in the context of a least developed country with considerable regulation and central direction. Lack of transparency, accountability and consistency, as well as institutional weaknesses such as in the legislative and judicial systems, provide fertile ground for growth of rent seeking activities in such a country. In addition to the rise of an underground economy and the high social costs associated with corruption, its adverse consequences on income distribution, consumption patterns, investment, the government budget and on economic reforms are highlighted in the paper. The paper also touches upon the supply side of bribery and its international dimensions and presents some thoughts on how to address the corruption issue and to try and bring it under control.

There is a growing worldwide concern over corruption at the present time. Several factors are responsible for this.

First, a consensus has now been reached that corruption is universal. It exists in all countries, both developed and developing, in the public and private sectors, as well as in non-profit and charitable organizations.

Second, allegations and charges of corruption now play a more central role in politics than at any other time. Governments have fallen, careers of world renowned public figures ruined, and reputations of well-respected organizations and business firms badly tarnished on account of it. The international mass media feeds on it and scandals and improper conduct, especially of those in high places, are looked upon as extremely newsworthy, and to be investigated with zeal and vigour. The rising trend in the use of corruption as a tool to discredit political opponents, the media's preoccupation with it as a highly marketable commodity, and the general public's fascination with seeing prominent personalities in embarrassing situations have brought

* Former Chief, Least Developed Countries Section, Development Research and Policy Analysis Division, ESCAP. The author now lives in Yangon, Myanmar.

Political Culture, Change, and Security Policy in Nigeria Kalu Kalu,2018-03-15 Demonstrating how political culture facilitates or distorts political preferences and political outcomes this book explores how the historical development of social conditions and the current social structures shape understandings and constrain individual and collective actions within the Nigerian political system *Political Culture Change and Security Policy* examines the extent to which specific norms and socialization processes within the political and civic culture abet corruption or the proclivity to engage in corrupt practices and how they help reinforce political attitudes and civic norms that have the potential to undermine the effectiveness of government It also delineates specific doctrinal models and strategic framework essential to the development and implementation of Nigeria s national security policy as well as innovative approaches to national development planning Professor Kalu N Kalu offers an exhaustive study that integrates several quantitative models in addressing a series of theoretical and empirical questions that inform historical and contemporary issues of the Nigerian project The general premise is that it is not enough to simply highlight the problems of the state and address the what question we must also address the why and how questions that drive political change policy preferences and competing political outcomes

Confronting Corruption in Business Alan T. Belasen,Roxana Toma,2015-12-07 *Confronting Corruption in Business* focuses on the contextual issues that trigger corruption to give the reader a more thorough understanding of destructive leadership It provides students with a unique critical perspective on issues of leadership corruption and policy in different countries industries and companies While there isn t a universally agreed upon definition of corruption in social sciences it generally refers to efforts to secure wealth or power through misusing public power for private gain This kind of destructive leadership is typically treated as an anomaly but this book closes the gap in our understanding by highlighting the wider consequences of this behavior within business and on an international level Armed with this understanding one also learns how to mitigate its causes and consequences Edited by leading experts the book includes contributions from scholars with international expertise on leadership strategy political science finance organizational change and public policy It is the first book to focus on corruption on the country level and within business and students in international business management ethics and leadership classes will find it a valuable read **Inflation: Its Causes, Consequences, Cures** American

Assembly,1952 *Fighting Corruption in Public Procurement* Sope Williams,2012-11-06 This book examines the issues and challenges raised by the debarment or disqualification of corrupt suppliers from public contracts comparing and contrasting the legal practical and institutional approaches to the implementation of the disqualification **Routledge Handbook of**

Corruption in Asia Ting Gong,Ian Scott,2016-11-25 *Corruption in Asia* ranges from the venal rent seeking of local officials

to the million dollar bribes received by corrupt politicians from excessive position related consumption to future job offers in the private sector for compliant public servants from money laundering to white elephant projects that do little more than line the pockets of developers and their political partners The Routledge Handbook of Corruption in Asia addresses the theories issues and trends in corruption and anticorruption reform that have emerged from this diverse experience The book is divided into four major parts corruption and the state corruption and economic development corruption and society and controlling corruption strategies successes and failures Chapters compare and contrast corruption in different social and institutional contexts examine both successful and unsuccessful attempts to control it and consider what lessons can be drawn from these Asian experiences This academically rigorous and insightful book will be of interest to a wide range of students and scholars particularly those of Asian studies politics and sociology *Asia-Pacific Development Journal* ,2000
