Eye Candy ,2007 *Lines Notes Life Read to Relate* Pierre Henry,2012-10 *Relationship Gems* Efreem J. Windom,2009-02-06 Relationship Gems is a book that is powerpacked with short topics that will surely spark your thinking in regards to relationship issues It covers marriage divorce workplace relationships dating relationships and even provides topics that will bring healing for those who have been wounded in a failed relationship This book will prepare the single and will preserve the married Every chapter ends with an original quote from the The Relationship Pastor himself This book provides a life changing experience **OUT OF THE DARK INTO THE LIGHT** ANN LANDRUM STOCKSTILL,2018-07-20 The poems in this book express both the evil thoughts of man and the light of salvation through trusting our Lord My simple reflections on the world **Idle Time** Ryan M. Gibbs,2011-09-27 I have a theory that as a human race everything we do is based on our discomfort with boredom That is why people read books watch television listen to music and even interact with friends and family These are things that help us pass the time of our lives Most people only think about boredom as physically being mundane or inactive but boredom is also mental This is proven to be true because even when you have a good thought in your head you do not feel bored it is only once you are content with your thoughts that you start to feel bored Pretend like your life is on a graphing chart The absolute 0 of boredom is when you go to sleep After we wake up we go up on the chart and coast All day as a being we try to reach high points on our boredom chart People must remember though we are going to come back down on the chart after whatever it is that got us up on the chart is over So you should be mindful of what things you do just to fill your boredom or Idle Time **Eye Candy** Victoria Staat,2017-05-04 Trent is a trucker and one of four partners in a company called Big 4 Trucking A good guy working toward the American dream Candy s a bar owner waitress who s trying to raise two little sisters after their parents are killed in a plane crash Her only help in the endeavor is her slightly younger sister Torrie Trent and Candy meet one night in her bar and the attraction is mutual Instantly he can t help getting caught up in her eyes Being the kind of guy who goes head first into a problem he sets his cap for her The trucker doesn t realize the type of men she deals with on a daily basis and how tough she s had to be to protect not only her body but her heart as well So he s totally taken back when a hand on her arm gets him beat up for his trouble When Trent meets her the next day Candy sees the big black eye she s given him and regrets it So she agrees to go out with him Breakfast turns into date after date and a great time on the road with her favorite trucker has them becoming closer by the minute Until they re both tested by mystery and deceit Then before you know it secrets become part of the puzzle that rocks their world And when someone tries to kill Trent all bets are off **The Unexpected Matters of the Heart** C. Hankins,2024-01-05 A time in moment stops for each of us that lingers in our memories for the rest of our lives To some it s something big like passing their driving test and to others is as simple as the day they mastered how to ride their bike Whatever you encounter it leaves you to ponder deeper on the possibility as the feelings we feel can engrave onto our hearts Sarah could not believe it Despite
