her niece's son Iskander who has grown up in France alienated from his extended family his language and his culture As he gets to know his great aunt the doctor he learns more about his people's calamities and extraordinary heritage He is inspired to construct a virtual graveyard online a digital resting place where families can be reunited again Inaam Kachachi's unhurried spontaneous reflection on the closest ties of family evokes quiet power and beauty relayed by the warmth of Inam Jaber's translation Throughout it Doctor Wardiyah's journey conveys her dedication to the healing properties of trust and belonging treasures lost whenever any homeland falls prey to the Beast of division and conflict
