Inflight Catering Management:

Inflight Catering Management Audrey Carol McCool,1995 The first and only comprehensive guide to the field of INFLIGHT CATERING MANAGEMENT Inflight catering has over the past thirty years evolved into a distinct branch of the noncommercial foodservice industry complete with its own unique set of equipment preparation storage disposal and distribution requirements Yet until now there were no books devoted exclusively to the needs of foodservice management professionals and students interested in pursuing a career in this fascinating and highly lucrative field This book fills that gap Written with the full support and cooperation of the Inflight Food Service Association s Education Committee Inflight Catering Management is both a valuable professional resource and an excellent text for noncommercial foodservice management courses It provides comprehensive coverage of all essential aspects of contemporary inflight foodservice operations including Bidding contract management and the airline caterer interface Caterers equipment and facilities Onboard equipment and facilities Quality assurance Food safety and sanitation Waste management Current and future career opportunities

Operations Management on the Airport Perimeter. In-flight Catering and Services Patrick Wiget,2021-01-28 Academic Paper from the year 2019 in the subject Business economics Business Management Corporate Governance grade 69 language English abstract This paper refers to a catering supplier called creative catering Ltd CC based in Basel Switzerland In 2015 they opened a new branch called In flight Services and Catering ISC providing services to the in flight industry ISC serves on a high class level to private corporate governmental and royal customers from an international setting with multicultural backgrounds who do not have a local airline service for their needs ISC cannot be compared to the more basic services provided on first class charter flights CF because it provides to a smaller audience focusing much more on individual needs than a CF ISC is delivering up to four flights a day to small business jets and wide body long haul aircraft In 2018 the ISC generated a revenue of CHF 280 000 which is about a fourth of the CC total income The combination of services and goods provided by ISC in relation with the difficult forecasting situation will be discussed thoroughly throughout the paper This difficult relationship shows how important a clearly defined operations management and process setup is Catering is the largest part of the branch therefore this paper mainly considers the in flight catering sector with its process of the ordering system discussing the vulnerability and challenges within the system and analysing a lean approach to improve its performance and evaluate new findings
