ASP.NET MVC 5 Jeffrey Palermo, 2014. 51.2 Hours of Video Instruction. Overview ASP.NET MVC 5 LiveLessons provides web developers with an introduction to ASP.NET MVC which includes a review of web applications on the Microsoft platform. This course educates the developer from a master software engineering perspective with an eye toward frictionless development, best practices, and build and test automation. Description: Software engineer and Microsoft MVP Jeffrey Palermo guides developers through each part of the ASP.NET MVC 5 framework and he demonstrates how to leverage each piece to its fullest with real-world code examples. Viewers will learn how to create well-structured MVC web applications from scratch, add libraries and dependencies to the web application without creating unnecessary coupling, and create dynamic web pages and screens that accept, validate, and process user input. Viewers will also learn how to expose complex data to the application's users through screens, extend the MVC framework to create cross-cutting behavior with minimal code, and develop using HTML5, CSS3, and jQuery to create MVC web applications that function equally well on desktops, tablets, and smartphones. While learning the framework, viewers will learn how to properly structure a software system that uses separation of concerns and layering so that applications can be maintainable for years to come. Based on the best-selling ASP.NET MVC 4 LiveLessons, this video training has been updated to use Visual Studio 2013 and the MVC 5 enhancements to security and authentication, as well as integration enhancements such as WebAPI 2 and OData support. The result is that with MVC 5 and WebAPI 2, 80% of REST-style web services can now be done right alongside the rest of the web application without the complexity of WCF. The source code repository for this LiveLesson can be found at www.informit.com/titles/9780672337185. About the Instructor: Jeffrey Palermo is a Managing Partner and CEO of Clear Measure Inc, a software engineering firm in Austin, TX.
