**Project Management: The Managerial Process** Clifford F. Gray, Erik W. Larson, 2020-01-09. Project Management 8e provides a holistic and realistic approach to Project Management that combines the human aspect and culture of an organization with the tools and methods used. It covers concepts and skills used to propose, plan, secure resources, budget, and lead project teams to successful completion of projects. This text is not only on how the management process works but also and more importantly on why it works. It is not intended to specialize by industry type or project scope; rather, it is written for the individual who will be required to manage a variety of projects in a variety of organizational settings. 8e was written for a broad range of audiences including project managers, students, analysts, and Project Management Institute Members preparing for certification exams. The digital component Connect now has enhanced algorithmic problems, Application Based Activities, SmartBook 2.0, and Practice Operations, a game-based 3D operations management simulation.

**PMP® Exam Practice Test and Study Guide, Ninth Edition** J. LeRoy Ward, Ginger Levin, 2013-12-12. PMP Exam Practice Test and Study Guide Ninth Edition uses self-study to help readers increase their chances of passing the PMP certification exam the first time.
