Project Management Overview Georgia State University:

Effective Utilization and Management of Emerging Information Technologies Information Resources Management Association. International Conference,1998-01-01 Technological advances of the past decades have allowed organizations of all sizes to use information technology in all aspects of organizational management This book presents more than 200 papers that address this growing corporate phenomena *Information Resources Management: Concepts, Methodologies, Tools and Applications* Management Association, Information Resources,2010-04-30 This work is a comprehensive four volume reference addressing major issues trends and areas for advancement in information management research containing chapters investigating human factors in IT management as well as IT governance outsourcing and diffusion Provided by publisher Convergence of Project Management and Knowledge Management Taverekere Srikantaiah,Michael E. D. Koenig,Suliman Hawamdeh,2010-11-16 This book focuses on the proper access and delivery methods for explicit knowledge in projects and also concentrates on tacit knowledge unknown and unavailable to most people in project environments This book also discusses the benefits of managing knowledge in projects provides techniques and addresses strategy and deployment issues that will increase the rate of return on projects Encyclopedia of Information Science and Technology, Second Edition Khosrow-Pour, D.B.A., Mehdi,2008-10-31 This set of books represents a detailed compendium of authoritative research based entries that define the contemporary state of knowledge on technology Provided by publisher **Work, Workflow and Information Systems** William B. Rouse,Andrew P. Sage,2007 This volume brings together several perspectives on the nature of work processes in enterprises and how information systems can best support these processes The genesis of this idea was the shared interests of the authors in how enterprises improve and change The shared belief is that change of enterprises relates to change of work processes and the success of such changes relates to how work processes are supported by information systems Thus the papers in this volume address both the nature of work and the design of information systems to support work This volume is divided into two main sections work and workflow and information systems There are three papers in each section The disciplines represented across these six papers include management engineering computing and architecture These four disciplines pursue work workflow and information systems from quite different perspectives management to represent business practices and processes engineering to represent the physical flows in the system computing to represent the information flows and architecture to represent human flows within and among physical spaces Enterprises of course include all these types of flows **The System Summary** ,1985-10 *Management* Angelo Kinicki,Denise Breaux Soignet,2002 Resources in Education ,1981 *Circular - Georgia State College of Agriculture, Extension Division* Georgia State College of Agriculture.    Restructuring Local Government Finance in Developing Countries Roy W. Bahl,Paul J. Smoke,2003 Examining cutting edge issues of international relevance in the ongoing redesign of the South African local government fiscal system the contributors to this volume analyze the major changes that have taken place since the demise of apartheid The 1996 Constitution and subsequent legislation dramatically redefined the public sector mandating the development of democratic local governments empowered to provide a wide variety of key public services However the definition and implementation of new local functions and the supporting democratic decision making and managerial capabilities are emerging more slowly than expected Some difficult choices and challenges commonly faced by developing countries must be dealt with before the system can evolve to more effectively meet the substantial role envisioned for local governments The contributors outline these choices and challenges consider options for meeting them and review the implications of different decisions Their analyses also highlight the interrelationships among the elements of the local fiscal structure and emphasize the often ignored challenge of how to define an appropriate fiscal decentralization implementation strategy in an environment where local governments are extremely diverse in terms of needs resources and capacities Though the research much of it based on newly collected data is specific to South Africa the approach provides a model for other countries facing similar fiscal decentralization policy challenges Applied public finance and policy academics policymakers in developing countries researchers and program managers in international development organizations and students interested in local government finance in developing countries will find this timely and comprehensive volume a valuable addition to their libraries   AIDS 91 Summary J. Arbeit,Bruce Wallace,J. Lasker,1992 023384299 one volume AIDS reference annual has become an indispensable resource covering all aspects of HIV related disease prevention treatment each chapter reviewed by experts in the AIDS field Straightforward explanations of the background science are integrated with findings from previously unpublished research Illus tables graphs extensive indexes   **Project Management** Paul Tinnirello,2017-11-22 Project Management covers the full range of issues of vital concern to IT managers working in today s hurry up budget conscious business environment The handbook provides valuable advice and guidance on how to get projects finished on time within budget and to the complete satisfaction of users whether a high tech low tech financial manufacturing or service organization Project Management Handbook brings together contributions from an all star team of more than 40 of experts working at leading enterprise organizations and consulting firms across America and around the world With the help of dozens of fascinating and instructive case studies and vignettes reporting experiences in a wide range of business sectors those experts share their insights and experience and extrapolate practicable guidelines and actions steps that project managers can put to work on their current projects   Comprehensive Dissertation Index ,1989   **31st Annual**
