Ecommerce Fundamentals M. J. Richardson, 2016-03-06 *ECommerce Fundamentals* is a systematic overview of online business essentials including strategy formulation, online marketing and sales processes, fulfillment and post-sale processes, and technology and online analytics. It is a high-value, informative eCommerce resource specifically for small business owners and executives, startup entrepreneurs, and home-based enterprises with online selling. Unlike most other books on doing online that concentrate on online marketing and sales, *ECommerce Fundamentals* is comprehensive in discussing not only marketing and sales but how pre-sale, sale, and post-sale processes support your particular brand of Vision, Mission, and Strategy (VMS). The three site types: Online Billboards, Online Portals, and Online Stores are explained, and their advantages and disadvantages compared and contrasted. B2C and B2B online selling is the heart of eCommerce and the main focus of *ECommerce Fundamentals*, but we still take time to explore how to leverage the power of Online for brick-and-mortar, retail hybrid brick-and-mortar, and non-governmental organizations (NGO). The book takes a synergistic approach that emphasizes business process engineering in a Lean Six Sigma framework. *ECommerce Fundamentals* shows you how to thrive in business, not just survive. You are introduced to concepts in online commerce that not only level the field against competitors but more importantly empowers you and your organization to leave them in the dust. There are a handful of key takeaways that alone are worth the read and that hold the potential to radically transform the success and effectiveness of your business. They represent best practice thinking and innovative breakthroughs such as in traffic generation strategies leveraging niche content, conversion enhancement, and personalizing user/customer experience (UX/CX). In the conclusion, the Human H-digital d-Apex Hd™ is introduced, a next generation in UX/CX that ingrains humanity in the digital world. Organizational development and entrepreneurial management is touched on relative to building a thriving eCommerce business. A lot of ground is covered in *ECommerce Fundamentals*, and by design it is not a 300 or 400-page text book. Business process engineering is personal and needs to be right-sized and right-fitted to your specific business situation. Let's write the next 100 pages together as we collaborate on how you too can apply the power of Online and accomplish your entrepreneurial vision and mission and realize your personal dreams along the way. When you have finished reading *ECommerce Fundamentals*, please see the special consultation offer at the close of the book.
