space colonialism abusive romance and sacrifice left these characters a work in progress Finally the sequel era has introduced many more women to fill the galaxy Rey Jyn Rose Maz Qi ra Val L3 37 Captain Phasma Admiral Holdo and of course General Leia Making women the central warriors and leaders while keeping them powerful and nonsexualized emphasizes that they can share in the franchise instead of supporting male Jedi There s also more diversity though it s still imperfect Hera and Sabine on the spinoff cartoon Rebels and the many girls in the new franchise Forces of Destiny round out the era along with toys picture books and other hallmarks of a new more feminist fourth wave for the franchise

**Star Wars and the Hero's Journey** Valerie Estelle Frankel,2021-03-12 The original Star Wars trilogy famously follows Joseph Campbell s model for the hero s journey making Luke Skywalker s story the new hero quest for a modern age With the nine plus film saga complete however new story patterns have emerged as the hero s journey is imagined over and over for characters of different ages genders and backgrounds The prequels offer the plot arc of the villain s journey through Anakin Leia and Padme while damsels in the men s story break out to undergo their own ordeals The heroine s journey is exemplified by Rey and Jyn Obi Wan Yoda and Vader must accept the loss of power and fade into spirit guardians perpetuating the lifecycle By the sequel era the original trio become mentors to the younger generation and finally must do the same Meanwhile the Mandalorian explores a different form of the quest as he transforms from immature warrior to patriarch This book tracks the journeys of over 20 characters throughout the franchise
