Operations Research and Management Science Handbook A. Ravi Ravindran, 2016-04-19

Operations Research (OR) began as an interdisciplinary activity to solve complex military problems during World War II. Utilizing principles from mathematics, engineering, business, computer science, economics and statistics, OR has developed into a full fledged academic discipline with practical application in business, industry, government and military. *Supply Chain Management* William Y. C. Wang, Michael S. H. Heng, Patrick Y. K. Chau, 2007. In the current business landscape, many business firms compete in one project and cooperate in another related project, and they do so at the same time. Even more interesting is that certain members of these firms are involved in both projects. This book examines this new business landscape. R sum de l d
