a group counselor uses techniques based on implosive therapy in her work. which theorist is responsible for implosive therapy?

- a. ellis
- b. beck
- c. janov

d. stampfl - ANS d. stampfl - abreactive form of therapy often used with highly phobic clients. clients are induced to read or hear about or imagine frightening depictions of what might happen if they are forced to face their fear. idea is that the person will become desensitized

a group counselor decides to make graphs of the psychological test data for all of her clients over the past year. when she plots the distribution of beck depression inventory data, she notices it is skewed to the left. which of the following statements is true if a distribution is skewed to the left?

- a. the mean is greater than the median
- b. the mean is less than the median

c. the mean and median are the same

d. the mode is the best measure of center - ANS b. the mean is less than the median - it means that although most of the scores are to the right of the distribution, there are a few low scores pulling the distribution to the left. the mean is most impacted by the extreme scores. Because the extreme scores in this dist. are low, the value of the mean will be made less than the value of the median

**NCE Practice Questions** Exam Secrets Test Prep Staff Nce, 2010 NCE Practice Questions are the simplest way to prepare for the NCE test Practice is an essential part of preparing for a test and improving a test taker's chance of success The best way to practice taking a test is by going through lots of practice test questions If someone has never taken a practice test then they are unprepared for the types of questions and answer choices that they will encounter on the official test There is a tremendous advantage to someone taking the test that is already familiar with the questions and answer choices Another advantage of taking practice tests is that you can assess your performance and see if you need to study and practice more or if you're already prepared enough to achieve success on your test day If you do well on the practice test then you know you're prepared If you struggle on the practice test then you know you may still have more work to do to get prepared Taking lots of practice tests helps ensure that you are not surprised or disappointed on your test day Our NCE Practice Questions give you the opportunity to test your knowledge on a set of questions You can know everything that is going to be covered on the test and it will not do you any good on test day if you have not had a chance to practice Repetition is a key to success and using practice test questions allows you to reinforce your strengths and improve your weaknesses Detailed answer explanations are also included for each question It may sound obvious but you have to know which questions you missed and more importantly

why you missed them to be able to avoid making the same mistakes again when you take the real test That s why our NCE Practice Questions include answer keys with detailed answer explanations These in depth answer explanations will allow you to better understand any questions that were difficult for you or that you needed more help to understand
