The first entry in my showcase portfolio is a good example of the humble beginnings of my journey. The entry is my 10th grade Modern World History common task entitled "God, Gold, and Glory" in which I had to write a response to informational text regarding the effects of New World discovery on the native American population. I chose this piece not because it is my best piece of writing, but it was my first piece of writing in high school to meet proficiency. Even though the essay barely met the standard (I still had problems with analyzing the documents beyond their literal meaning), I was
