Psle Past Maths Exam Paper:

International Perspectives on Language and Work Stéphanie Cassilde, Adeline Gilson, 2025-07-02 This volume expands the definitions of language and work in researching their mutual influences It considers language as a working tool a vector of occupational identity and so on and work as the needed daily interrelation tasks communication constraints and so on The volume covers various national contexts India France Argentina Morocco Portugal Palestine Brazil Singapore and Canada The diversity of countries and linguistic spaces presented here enriches the perspectives in terms of transferring the insights from one situation to another The specific cases discuss among others how an occupation may be structured by language use how language embeds occupations within certain social contexts challenges of teaching in multilingual classrooms and how language affects therapeutic discourse and communication between patients and doctors The chapters provide detailed contexts and backgrounds so that readers can enjoy entering into each context and seeing similarities and differences with their own research field to incorporate the findings into their own research This volume is intended for sociologists interested in professionalisation industrial and occupational sociology sociology of work public health and management research

The Quirky Kampung Tales Of Ijan And His Early School Years Saiful Lizan Muhamed, 2022-11-30 The book is generally written in a humorous tone but there are poignant moments in the book where the narration takes on a more serious or sad tone where they are needed The book is about the growing up years of a boy called Ijan who grew up in a fast developing Singapore in the 1970s and 1980s in two different villages or kampung as they are called in Singapore Although the concept or notion of a kampung is now gone in the developed city of Singapore the book invites the readers to take a journey back to a historical Singapore as a backdrop Ingrained in the ways of the village Ijan the kampung boy had also attended schools which were very structured and the schools were where his parents were teachers As a kampung boy Ijan was accustomed to his roaming ways and as a teacher s son he was expected to behave This was further compounded where it seemed Ijan s DNA had been hardwired with the characteristics of what was known in the village as a pular dua anomaly He was born with two hair whirls at the back of his head This led to a somewhat disorderly hair disposition for Ijan but more significantly the villagers believed this anomaly brought with it certain traits to the afflicted boy It was believed that a pular dua boy would be a maverick of sorts hyperactive and stubborn to say the least He was also believed to be blessed with a very endearing character especially to animals The interesting contrast in environment character and expectations are the themes that carry the narration in this book with Ijan as the protagonist

Tests And Exams In Singapore Schools: What School Leaders, Teachers And Parents Need To Know Kay Cheng Soh, 2017-09-22

Assessment mainly in the form of tests and examinations plays a critical role in the schooling of Singaporean students The results are often used to make irrevocable decisions on the students future education careers This book is written with school leaders teachers and parents in mind with the view of helping them to better understand the processes and products of

assessment via tests and exams It is written in simple terms using minimal technical terms and introduces school leaders teachers and parents to essential concepts and principles of educational measurements which are relevant in the school context in Singapore While existing books on educational measurement are academically oriented and meant for formal training courses this book makes self study simple by using practical examples couched in layman s language In addition this book uses concrete examples and analogies to make the text reader friendly **Parliamentary Debates** ,1988-03-17

Infancy to IC Theophilus Huang,2025-08-04 Congratulations to us we are now parents Just like many others before us we scour the Internet and bookshops hoping to find a guide that can tell us how to be good parents Well at the very least we should avoid messing up our parental duties There is a problem we are based in Singapore While this is a great place to live and work it s quite a different story for the kids Singapore has been consistently ranked among the top countries in the world by the OECD s Program for International Student Assessment PISA for some time If parenting is difficult enough as it is imagine doing it in a country with the smartest kids in the world which is what PISA is telling us This book describes our journey as parents in Singapore from infancy to pre school to the Gifted Education Program to Raffles Institution to getting offers from top universities Imperial College University College NUS College Nanyang Technological University Waseda University among others It is my hope that this journey will provide a guideline to other parents so that they can do the same or better **Singapore Bulletin** ,1992 **Girl's Educational Opportunities & Performance in Tanzania** George
