## **Protecting Alabama :**

**Protecting Alabama** Susan Stoker, 2016-06-08 Alabama didn't have a good start to life. Emotionally and physically abused by her mama, Alabama spent her high school years in foster care. People let her down time after time, and she'd learned to rely on only herself. Christopher Abe Powers earned his nickname because he tolerated nothing less than absolute honesty from the people around him. Finding the bar scene stale and having watched his friend and teammate Wolf find the woman of his dreams, Abe was determined to find someone to share his life with. Too Alabama and Abe had no idea their paths would cross and their prayers would be answered, but like most things in life, nothing is ever as easy as it seems at first. Two words would change both their lives, and they'd have to fight hard for their happy ever after.

**Protecting Alabama's Kids: SEAL of Protection Military Romantic Suspense Novel** Susan Stoker, A second chance at happiness is rare, but they will stop at nothing for love and family. At just ten years old, Tommy has already been through more horror than most people suffer their entire lives. So when he's placed in his latest foster home under the gentle care of Abe and Alabama Powers, he lashes out. He's scared, confused, angry, and convinced it won't be long before these new foster parents send him away, too. No one wants a boy his age, especially one who's broken, dirty. It'll take all of Alabama and Abe's love, the sibling adoration of his foster sisters Brinique and Davisa, and Abe's entire extended SEAL family to prove to Tommy that being nice, being respectful, and opening his heart to love are things he can choose. Even still, despite so much support, it's hard for Tommy to believe he deserves a loving family and a second chance at happiness. Until one of the most unexpected friends arrives just when Tommy needs him the most. He'll show the little boy just how special he is, even if he has to use a little magic to prove it.
