*Budgeting for a Healthy Church* Jamie Dunlop, 2019-04-02 Many pastors conceive of the church budget as primarily a financial tool but in fact it is primarily a pastoral tool A church's philosophy of ministry is locked into its budget and so the budget will either stifle or accelerate any attempts to move a congregation toward a biblical model of church health As such the church budget is a far more potent pastoral tool than many church leaders realize *Budgeting for a Healthy Church* examines each section of the budget in light of Biblical principles to show how a church budget can lock in healthy approaches to ministry Whereas most books on church budgeting are how books explaining how the budgeting process should work this is a what book helping church leaders determine the pastoral implications of what they choose to fund in their budgets *The Professionals' Guide to Fund Raising, Corporate Giving, and Philanthropy* Linda Adams

***The Price of Pastoral Care and Dealing with the Vision for the Church*** Sinclair L. Thorne, 2010-06 People from various walks of life will accept the call to pastor a church without any idea about how to be a pastor the responsibilities of a pastor and what to do with the vision that God has given them for the church In his book the author who has served as a pastor for over 22 years provides a Biblical perspective of what the pastor needs to know and the price that must be paid when accepting the call to lead God's people Several critical areas of pastorship are addressed including the price of pastoring the price of pastoring those with whom we disagree the price of pastoring the brokenhearted the price of pastoring those who are stumbling blocks and hindrances to the forward moving of the ministry the privileges and rewards of pastoring
