Greenberg,2008 **The to Z of Slovenia** Leopoldina Plut-Pregelj,Carole Rogel,2010-05-20 The A to Z of Slovenia covers the history of Slovenia and its struggle to gain independence from communism This is done through a detailed chronology an introduction appendixes a bibliography and hundreds of cross referenced dictionary entries on some of the more significant **How to Do Things with Tense and Aspect** Matejka Grgic,Igor Z. Žagar,2020-05-15 Almost all verbs in Slovene one of the least researched Slavic languages have two aspectually different forms the perfective PF and the imperfective IF But in institutional settings or settings strongly marked with social hierarchy only the second the imperfective form is used by Slovene speakers in a performative sense Why is that And what in fact has a Slovene speaker said if s he has used the imperfective verb in performative circumstances No doubt that s he may be in the process of accomplishing such an act But at the same time having the possibility of choosing between the PF and the IF form s he may have also indicated that this act hasn t been accomplished yet as long as we are only promising IF we have not really promised anything yet and if we are only promising IF we cannot take anything as having been really promised That was how Stanislav Krabec the 19th century Slovene linguist and the central figure of this book saw the role of verbal aspect within language use Being caught in such a dilemma a question inevitably arises how do we accomplish an act of promise or any other performative act in Slovene That dilemma whether to use the perfective or imperfective aspect when accomplishing performative acts may seem more than artificial at first but it was very much alive among Slovene linguists at the end of the 19th century And it was that very dilemma that quite unexpectedly gave rise to the foundations of performativity in Slovene half a century before Austin In the present book the authors try to shed light on this controversy that involved different Slovene scholars for about thirty years and propose a delocutive hypothesis as a solution for the performative dilemma this controversy unveiled **Slovene Studies** ,1994 [Colloquial Slovene \(eBook And MP3 Pack\)](#) Marta Pirnat-Greenberg,2014-10-14 COLLOQUIAL SLOVENE is easy to use and completely up to date Specially written by an experienced teacher for self study or class use the course offers a step by step approach to written and spoken Slovene No prior knowledge of the language is required What makes COLLOQUIAL SLOVENE your best choice in personal language
