with POWER Learning, 4e Sherri Messersmith, 2015-04-13 Beginning and Intermediate Algebra by Sherri Messersmith has
been widely implemented in schools across the country The 4th edition has been updated and expanded to include a study
skills component The P O W E R framework is integrated into each section and new study strategies and exercises are tied to
every chapter The conversational writing style practical applications innovative student resources and expanded Connect
Math content makes this an appealing and very teachable option for faculty The P O W E R Framework What makes P O W E
R a unique tool for the classroom A major challenge in developmental courses is that students at this level struggle with basic
study skills and habits Maybe this is one of their first college courses or perhaps they are adults returning to school after a
long absence Either way many of the individuals taking this course don t know how to be good students Instructors often don
t have the time the resources or the expertise to teach success skills AND the math concepts The new team of Messersmith
Perez and Feldman offer a scientifically based approach to meet this challenge The P O W E R Learning Framework was
developed by successful author psychologist student success instructor and researcher Bob Feldman It is a method of
accomplishing any task using five simple and consistent steps Prepare Organize Work Evaluate Rethink This framework is
integrated at every level of the text to help students successfully learn math concepts while at the same time developing
habits that will serve them well throughout their college careers and in their daily lives **Elementary and Intermediate**
