Customer Relationship Management Strategies in the Digital Era Nasir, Süphan, 2015-03-31 In today's global economy social media and technological advances have changed the way businesses interact with their clientele. With new forms of communication and IT practices, companies seek innovative practices for maintaining their consumer loyalty. *Customer Relationship Management Strategies in the Digital Era* blends the literature from the fields of marketing and information technology in an effort to examine the effect that technological advances have on the interaction between companies and their customers. Through chapters and case studies, this publication discusses the importance of achieving competitive advantage through implementing relationship marketing practices and becoming consumer-centric. This publication is an essential reference source for researchers, professionals, managers, and upper-level students interested in understanding customer loyalty in a technology-focused society.

Selling Our Youth Harriet Bradley, Richard Waller, Laura Bentley, 2022-06-27 *Selling Our Youth* explores the way the class origins of recent graduates continue to shape their labour market careers and thus to reproduce class privilege and class disadvantage, illustrating how class and gender come together to influence these young adults' opportunities and choices.

The Handbook of Global Health Policy Garrett W. Brown, Gavin Yamey, Sarah Wamala, 2014-04-08 *The Handbook of Global Health Policy* provides a definitive source of the key areas in the field. It examines the ethical and practical dimensions of new and current policy models and their effect on the future development of global health and policy. Maps out key debates and policy structures involved in all areas of global health policy. Isolates and examines new policy initiatives in global health policy. Provides an examination of these initiatives that captures both the ethical, critical, as well as practical, empirical dimensions involved with global health policy formation and its implications. Confronts the theoretical and practical questions of who gets what and why and how, when and where. Captures the views of a wide array of scholars and practitioners, including from low and middle-income countries, to ensure an inclusive view of current policy debates.

Enterprise Development in SMEs and Entrepreneurial Firms: Dynamic Processes Ndubisi, Nelson Oly, Nwankwo, Sonny, 2013-02-28 In order to increase the economic opportunities available, enterprise development plays a crucial role in the progression of socio-economic development for small and medium enterprises. *Enterprise Development in SMEs and Entrepreneurial Firms: Dynamic Processes* explores the process of enterprise development and its reconstruction of entrepreneurial identities, critical competencies, as well as market turnaround for SMEs. This book aims to be a critical resource in the understanding of enterprise strategies adopted and lessons learned for management development. It is a successful resource for students, researchers, and professionals interested in the growth of SMEs.

International marketing in times of sustainability and digitalization Erika Graf, 2023-03-20 Given today's challenges, companies are confronted with pressing questions: Are marketing and sustainability a contradiction? How can digitalization support marketers beyond digital advertising? These questions must be

addressed in an international context since for most companies international business is more a reality than just a strategic option as it was just a few decades ago This book provides insights into the fundamentals of international marketing with a focus on these topics because they are commonplace in today s international marketing It presents theories and concepts of international marketing in a concise form along with many real world examples The book explores how digitalization makes potential connections and advances available to marketing and how marketing can contribute to shaping a more sustainable future It is a must read for students interested in the topic and managers who are confronted with these challenges
