Intelligent Fanatics Project How Great Leaders Build Sustainable Businesses:

Intelligent Fanatics Project Sean Iddings,2016-08-12 How does a great company sustain and grow profits for decades Most people call to mind Warren Buffett s analogy of a moat various defenses to thwart competition But moats are fleeting they are here today and gone tomorrow The more important question is who builds and maintains moats Intelligent fanatics do These leaders build high performance organizations that can dominate for decades The Intelligent Fanatics Project uncovers the stories of eight intelligent fanatics who built dominant and enduring businesses A 1 000 investment with each of these intelligent fanatics on average would have been worth 3 4 million thirty seven years later a 24 6% compounded annual return They operated in a wide array of industries in different time periods different continents and in different economic backdrops yet their leadership styles strategies corporate cultures and values were similar Intelligent fanatics are what every entrepreneur aspires to be and what every long term investor dreams of finding and investing in early Sean Iddings and Ian Cassel weave together the common traits amongst intelligent fanatics to help both the investor and entrepreneur generate extraordinary returns

Intelligent Fanatics Project Sean Iddings,2016-04 [Mapping Motivation for Top Performing Teams](#) James Sale,2020-12-14 Mapping Motivation for Top Performing Teams is the final volume in a series of books that are all linked to the author s Motivational Map toolkit Each book builds on a different aspect of personal team and organisational development This book using the Motivational Map the Team Motivational Map as well as the Organisation Motivational Map is a practical guide to understanding how team dynamics and success are hugely influenced by motivational factors which are not usually taken into account The book is a deeper exploration of team mapping which occurs in Chapter 6 of Mapping Motivation 2015 Chapter 6 of Mapping Motivation for Engagement with Steve Jones 2019 and Chapter 6 of Mapping Motivation for Leadership with Jane Thomas 2020 But whereas these chapters only touched on specific aspects of team dynamics this book covers the issues more comprehensively it also attempts to avoid replication of materials although there are bound to be small overlaps It covers not only how motivations affect team productivity and how this can be boosted through targeted Reward Strategies but also how mapping provides profounder insights into the four key characteristics of top performing teams the clear remit vital interdependency strong belief and real accountability How Motivational Maps covers these areas we believe to be original eye opening and effective in the management of change Further as always with Motivational Maps its language and metrics raise self awareness at an individual and team level and so can help resolve conflicts through its common and non judgmental language Managing teams is the key skill of managers thus this book is a handbook for managers everywhere who wish to excel at management for without bringing their teams on board i e motivating their teams they are not effectively managing

Intelligent Fanatics Sean Iddings,Ian Cassel,2017-11-22 We help you accumulate and internalize the experiences of nine relatively unknown intelligent fanatic giants We also contrast their leadership styles against less successful companies during the time period The intelligent fanatic blueprint holds true

across every time period continent and industry **Stock Picker** Ian Cassel,2026-09-15 Ian Cassel had never had a normal job never worked for a big firm and sometimes struggles to even screw in a lightbulb But give him a list of a thousand small stocks and he can pick out the next winners Stock Picker is part personal journey part manifesto for financial independence and part collection of lessons learned while chasing greatness in stock picking You ll discover why investing is less about beating others and more about buying freedom for yourself Through luck failure discipline and reinvention Cassell built a career first as a full time private investor and now as a fund manager His story proves you don t need billions or Wall Street prestige just enough capital conviction and patience to live life on your own terms Begin your journey to financial freedom now
