- **Interview**

There are **two rounds** of interviews,viz.,the **technical** and and the **HR** round.

Technical and Personal Round for Software Candidates

Mainly subjective questions in C,Operating Systems,DBMS,Data Structures are asked interspersed with some on the candidate's personal background.

Typical questions in C and Data Structures

- 1.WAP to interchange 2 variables without using the third one.
- 2.Explain quick sort and merge sort algorithms and derive the time-constraint relation for these.
- 3.Explain binary searching, fibonacci search.
- 4.General questions on binary trees, transversals
- 5.General questions on graphs and their representation.

Typical Questions on Operating Systems

- 1.Demand paging,page faults,replacement algos,thrashing,etc.
- 2.Paged segmentation and segment paging.

HR Round for Software Candidates

In this section, **case studies are presented** before the candidate to perceive his reaction and his/her **communication skills are tested.** *IBM expects teamwork and teamspirit* from the candidates and their answers should reflect this attitude.

Typical question is:

You are a project manager of a big multinational project.There is a person X, assigned to you who has the best technical skills required for the project,even better than you.But he wishes to be the project manager ,which the management does not permit,due to which he threatens to quit.All others in the group are not as competent.Talk yourself out of this situation pretending that the interviewer is the disgruntled employee and explain the necessary action.

For the technical section questions the engg. textbooks would suffice.For a detailed list of authors and other important tips check our [interview section.](#)

Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Interview Written Test Papers. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Interview Written Test Papers, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Interview Written

Test Papers has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
