Peakuzhimannil, 2010-08-23 Down in the Valley but Not Alone is the journey of a woman from the small remote village in Kerala called Naranamoozhi Na ra na muoozhii to the land of her dreams America It is the story of lost relationships love lust betrayal and loneliness The journey is painful but is it the story of courage and victory This is the story of Leela who came from this village fighting all odds to fulfill her dream The journey was not an easy one All the way they were trials and tribulations but in the midst of all these she always experienced the presence of God lifting her up and leading her in the most wonderful way Don't Ask Any Old Bloke for Directions Palden Gyatso Tenzing, 2009-04-17 Exploring a karmic network in 25 320 kilometres After twenty years in the Indian Administrative Service P G Tenzing throws off the staid life of a bureaucrat to roar across India on an Enfield Thunderbird travelling light with his possessions strapped on the back of his bike On the nine month motorcycle journey without a pre planned route or direction he encounters acquaintances who appear to be from his karmic past from the roadside barber to numerous waiters and mechanics fleeting human interactions and connections that seem pre ordained Life on the road is full of pot holes in more ways than one but Tenzing acquires a wheelie s sixth sense He is unfazed by suspicious hotel receptionists or other unkarmic sceptics who take one look at his dishevelled unkempt appearance and ask for an advance or a deposit or both Tenzing s views on life and death friendship and love are informed by a certain dark humour But his conviction that everything revolves around the sacred bond that humans share with each other and with the universe is deeply felt and inspiring Sometime singer with a Gangtok band a dabbler in vipassana meditation and a supporter of a monk s school at Mangan Sikkim P G Tenzing is self confessedly at a mid life crisis point and ready for all the adventures this world has to offer

**Write Feelings** Suresh Pattali, 2020-07-11 News today is sensational fast and often fake attributes Suresh has been taught and trained to avoid But there is a fourth attribute to news that journalists don t wear on their sleeves It defies all stereotypical notions associated with the profession Emotion it is Newsmen are reckoned to be detached and untouched Almost Zen like They are the ones who can cover a gruesome tragedy and then head straight out to have a hearty meal On many levels the intrepid journalist is not much different from a beat cop

Both encounter the worst of mankind Both are exposed to the scum of the world Both put on a brave face admirably reticent to tragedies and comedies But beneath the fa ade there is a beating heart one that pines for that little girl who was raped and murdered one that sobs for that beautiful woman whose husband was murdered by her own father and one that prays for the safety of those twelve hapless boys trapped in a flooded cave in Thailand Write Feelings is all about this It brings out the emotion that Suresh had bottled up during four decades of his journalistic existence These are words that the heart refuses to say out loud but gush out in the comfort of solitude A cathartic release *Outlook* ,2008-12-22 **New Quest** ,1990
