Maritime Sri Lanka: Historical And Contemporary Perspectives Chulanee Attanayake,2021-01-18 Being an island nation the ocean is never too far from Sri Lanka Situated right at the center of the world s busiest sea lanes of communication the geography connects the country with the Indian Ocean and its destiny is linked to this strategic body of water For centuries the Indian Ocean has been part of Sri Lanka s strategic security and political narratives However over the years the country s involvement in the affairs of the Indian Ocean has retracted due to domestic and regional circumstances Its consciousness of its ocean identity declined when it took an inward orientation which gave greater visibility to its South Asian identity and its own imagination began to pivot towards the Indian hinterland However with the rising importance of the Indian Ocean in geopolitics and with the end of the civil war Sri Lanka s consciousness of its ocean identity has grown Successive governments have formulated policies that would have paved its way to become the hub of the Indian Ocean making the ocean the center of its economic development maritime security and defense relations Amidst this backdrop this book explores historical and contemporary perspectives on Sri Lanka s relations with the Indian Ocean

The Political Economy of Conflict and Violence against Women Kumudini Samuel,Claire Slatter,Vagisha Gunasekara,2019-08-15 The Political Economy of Conflict and Violence against Women shows how political economic social and ideological processes intersect to shape conflict related gender based violence against women Through feminist interrogations of the politics of economies struggles for political power and the gender order this collection reveals how sexual orders and regimes are linked to spaces of production Crucially it argues that these spaces are themselves firmly anchored in overlapping patriarchies which are sustained and reproduced during and after war through violence that is physical as well as structural Through an analysis of legal regimes and structures of social arrangements this book frames militarization as a political economic dynamic developing a radical critique of liberal peace building and peace making that does not challenge patriarchy or modes of production and accumulation
