Freemason:

Freemasonry Mark E. Koltko-Rivera, 2011-01-20 An experienced Freemason and award winning psychologist provides a precise and engaging exploration of the core meaning and practices of Freemasonry for the new generation of people interested in joining the order and those who are simply curious in the wake of recent media coverage Entertaining books and movies often depict Freemasonry as a shadowy mysterious and possibly sinister organization and the TV and magazine specials on Freemasonry that inevitably follow often leave us with more questions than answers Mark E Koltko Rivera a practicing thirty second degree Mason has created a simple authoritative and easy to understand introduction to the history rites and meaning of Freemasonry It may be the single most reliable short guide to Masonry written by a widely recognized psychologist and scholar of esoteric history Koltko Rivera s trustworthy handbook explores all the basic issues around Masonry like What is Freemasonry and what is its history How does one become a Freemason What are some of the most important Masonic symbols What do Masons get from their involvement in Freemasonry What changes does it make in their inner and outer lives What is it like to participate in the initiatory rituals of Freemasonry What are some of the great historical controversies and myths surrounding Freemasonry How is Masonry relevant today

Freemasonry Andreas Önnersfors, 2017-08-17 Freemasonry is one of the oldest and most widespread voluntary organisations in the world Over the course of three centuries men and women have organized themselves socially and voluntarily under its name With a strong sense of liberation moral enlightenment cosmopolitan openness and forward looking philanthropy freemasonry has attracted some of the sharpest minds in history and has created a strong platform for nascent civil societies across the globe With the secrecy of internally communicated knowledge the clandestine character of organization and the enactment of rituals and the elaborate use of symbols freemasonry has also opened up feelings of distrust as well as allegations of secretiveness and conspiracy This Very Short Introduction introduces the inner activities of freemasonry and the rituals symbols and practices Looking at the development of the organizational structure of masonry from the local to the global level Andreas nnersfors considers perceptions of freemasonry from the outside world and navigates through the prevalent fictions and conspiracy theories He also discusses how freemasonry has from its outset

struggled with issues of exclusion based upon gender race and religion despite promoting tolerant openness and inclusion Finally nnerfors shines a light on the rarely discussed but highly compelling history of female agency in masonic and para masonic orders ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable
