

# Power Plant Questions & Answers

A photograph of a power plant at night. The scene is dominated by several large, cylindrical cooling towers that are illuminated from within, casting a warm, orange glow. Thick plumes of white steam or smoke rise from the towers, filling the upper portion of the frame. The sky is a deep, dark blue, suggesting twilight or night. In the foreground, a dark, textured surface, possibly a field or a road, is visible, with some faint tracks or lines. The overall atmosphere is industrial and dramatic.
