Caroline B. Brettell, Carolyn F. Sargent

Gender In Cross Cultural Perspective 6th Edition:

Gender in Cross-cultural Perspective caroline B. Brettell, Carolyn F. Sargent, 2009 *Gender in Cross-cultural Perspective* Caroline Brettell, Carolyn F. Sargent, 2017 This carefully crafted volume introduces anthropological approaches to and perspectives on gender It combines theoretically and ethnographically based essays in order to examine gender roles and ideology around the world The articles both classic and contemporary are drawn from all fields of anthropology and cover a wide variety of cultures The seventh edition contains 12 new entries that reflect more recent developments in the discipline including topics such as transnationalism and transgender With additional features to support teaching and learning including discussion questions this is an essential resource for students encountering anthropology of gender for the first time

Gender and Anthropology Frances E. Mascia-Lees, Nancy Johnson Black, 2016-11-11 As an early reviewer wrote This is one of the clearest most concise statements on social theory in general let alone on gender that I have ever read Now updated Mascia Lees and Black continue to expertly trace how anthropologists have used different theoretical orientations to examine the nature and determinants of gender roles and gender inequality From the nineteenth century on anthropologists have used different theoretical orientations to understand the emotionally charged topic of gender With an insightful look at evolutionary materialist psychological structuralist poststructural sociolinguistic and self reflexive approaches this distinctive module also examines how these approaches best explain gender and sexual oppression in a global world The authors pack great amounts of valuable information into such a slim volume yet leave readers with digestible material that does more than cover the surface of anthropological perspectives on gender roles and stratification Readers gain insights and tools to develop their own critical analyses of gender
