**Packing For Retirement** James L. Flanagan, 2019-03-22. Packing for Retirement is a must-read for anyone who is planning on retiring or who has recently retired. This easy-to-read book is complete with information that everyone needs to know about retirement planning: what this life transition means now and what it is likely to mean in the future. Packing for Retirement provides you with a roadmap to planning a successful and happy retirement. Longevity is changing the way we live the later part of life, and as a result, we need the financial tools and resources to live our best lives. The author identifies the 10 most critical questions any retiree must answer and helps the reader to understand the biggest risk in retirement: health. Then, demonstrates the ways in which a person can protect what they have worked for with insurance strategies and sound estate planning advice. This book includes self-assessments, checklists, sample form templates and most importantly, an action plan for every person planning to retire or navigating retirement. If you are between the ages of 50-70 and want to know about the inner workings of health care, taxes, IRAs, income planning and long-term care, you must read this book. **WARNING:** The contents of this book have the possibility to change your life. Implement a few of these strategies and enjoy your ability to earn more, worry less, while capitalizing on your longevity bonus.
