To hear His voice. To follow Him intimately. This is the most life-changing habit that we can adopt because it brings us back to the source of life. Yet most Christians have never been taught how to have a conversation with the Creator. In this revised and updated study guide, bestselling author John Eldredge dives deeper into his personal journals to tell his stories about walking and talking with the Lord. By putting words to the things God has shown him through some amazing experiences, he will help you shed light on the miraculous truths that God is showing you right now. Packed with questions, stories, and discussion topics, this study guide features Journaling Prompts, Questions to help you tell your own story of walking with God, Relevant Passages, Scriptures to study and memorize to help you along the way, Clarity Readings, Short notes to solidify certain key points in your mind, Leader's Guide. Really Bible Study Guide plus Streaming Video** John Eldredge, 2025-03-04 Embark on a spiritual journey to cut through the murk of modern life and rediscover a deeply experiential relationship with Jesus Christ. Do you feel like you're living your day to day at a distance from the rich and nourishing intimacy with God that you long for? The Christian life is meant to be experiential. Our faith is meant to be felt. It should fill us with wonder. And yet we live in a world of weary, skeptical pragmatism. Our digital age has conditioned us to expect immediate answers and crippled our ability to entertain mystery and experience the healing power of Jesus. In this five-session video Bible study, video access included, John Eldredge shows you how to develop deep, everyday habits rooted in ancient Christian practices that will help restore your faith and experience real intimacy with God. This study guide has everything you need for a full Bible study experience, including the study guide itself with discussion and personal reflection questions, video notes, and a leader's guide.
