Islamic Psychology G. Hussein Rassool, 2023-03-23 *Islamic Psychology The Basics* is a jargon free and accessible introduction that explores psychology from an Islamic perspective and provides a foundation level overview of the fundamental principles and practices of Islamic psychology The book introduces concepts models approaches themes and theories you need to know to study the mind soul and behaviour based on Islamic scripture Offering an overview of Islamic psychology and what Islamic psychologists do chapters address key topics including the history of the evolution of the science of the soul and the psychology of human behaviour and experiences Rassool examines the concepts of the Fitrah the Nafs Self the Aql Intellect the R Soul the Qalb Heart and the concept of Islamic healing and spiritual interventions Other themes include the Qur'an and psychology models and approaches in Islamic psychology interpreting Islamic psychology for modern times and the contemporary scope of the practice of Islamic psychology Outlining the challenges and solutions of the development of Islamic psychology and potential future trends and including features to aid learning this is the ideal introductory book for students in Psychology Islamic Psychology and Islamic Studies as well as professionals including counsellors and therapists and anyone

interested in psychology from an Islamic perspective [Evil Eye, Jinn Possession, and Mental Health Issues](#) G. Hussein Rassool, 2018-09-03 Evil Eye Jinn Possession and Mental Health Issues raises awareness of the cultural considerations religion and spirituality involved in the assessment of Muslim patients with mental health problems The belief that Jinn spirits can cause mental illness in humans through affliction or possession is widely accepted among Muslims meaning this belief is a crucial but frequently overlooked aspect of mental health problems with Muslim patients in psychiatric care This book explores the nature of such beliefs their relationship to mental health and the reasons for their importance in clinical practice The book argues that it is vital to consider mental disorders as a multifactorial affair in which spiritual social psychological and physical factors may all play a role It suggests differential diagnostic skills may have an important part to play in offering help to those who believe their problems are caused by possession and provides accessible literature on clinical issues and practice interventions management and evidence based practice to help health workers achieve a better understanding of Muslim beliefs about possession and how to work with patients that hold such beliefs Evil Eye Jinn Possession and Mental Health Issues is an essential manual for mental health professionals social workers and psychologists It should also be of interest to academics and students in the healthcare sciences [Exploring the Intersection of Islāmic Spirituality and Psychotherapy](#) G. Hussein Rassool, 2024-12-01 This book examines the intersection of Islamic spirituality and psychotherapy analyzing how Islamic principles can be integrated into therapeutic practices to foster mental emotional and spiritual health Through a comprehensive exploration of Islamic teachings and contemporary psychological theories it aims to offer valuable insights for both practitioners and students of Islamic psychotherapy The book starts by analyzing the convergence of Islamic spirituality and psychotherapy discussing the importance of decolonizing psychological knowledge and presenting the foundations of Islamic psychotherapy Next it analyzes various psychological approaches such as psychoanalytic therapy client centred therapy and cognitive behavioral therapy and discusses the congruences or dissonances of each approach with Islamic spirituality Finally the book examines the relationship between emotion and mental health from an Islamic perspective and reflects on the integration of Islamic spirituality in psychotherapy providing practical strategies and tools for Islamic psychotherapists Exploring the Intersection of Islamic Spirituality and Psychotherapy Healing the Soul will be an invaluable resource for mental health practitioners such as counsellors and psychotherapists as well as for scholars and students interested in learning how to bridge the gap between Islamic spirituality and psychotherapy offering insights and guidance for those seeking to integrate these domains and developing a deeper understanding of Islamic psychotherapy **The Communication Clinic: 99 Proven Cures for the Most Common Business Mistakes** Barbara Pachter, Denise Cowie, 2016-12-16 The proven prescription for powerful business communication Sending an email plagued with typos Rushing through a presentation Never saying no Under dressing for a company event What do these all have in common Bad messaging The Communication Clinic is a comprehensive commonsense guide to getting the job of your dreams

and presenting yourself in the best light through your writing speaking body language and overall appearance In no time you ll begin recognizing the subtle mistakes that are holding you back and taking steps to overcome them The Communication Clinic provides the proven prescription for Writing effective emails Developing a professional presence Mastering verbal and nonverbal communication Using social media for career success Designing and delivering powerful presentations Being assertive but not aggressive in person and online Managing conflict Business interactions are increasingly done over digital platforms and across traditional boundaries Never has clear communication been more critical Unskilled communicators can create awkward situations negatively affect business profitability and even end their own careers with a few poorly chosen keystrokes Consult The Communication Clinic and you ll show everyone that you understand your job that you care about your career and that you work well with others all of which come across loud and clear through effective communication
