John Hellen,2009-09 Is there a God Is the Bible only a fairy tale or is it true Did Jesus really exist and is he the Son of God Author John Hellen answers these and other questions in his fascinating book *The Bible is No Fairy Tale* Using the scientific method to prove the Bible's truth Mr Hellen reveals the prophecies of the Bible and uses historical accounts and the Bible itself to convincingly demonstrate that all prophecies have indeed come true Readers are challenged to examine the overwhelming evidence proving Jesus' existence crucifixion and resurrection as well as debunking the theory of evolution to prove God is the great Creator See extraordinary miracles performed in the lives of believers proving God's promises in the Bible about miracles are true Whether you're a skeptic or a believer this book will force you to take a closer look at the infallibility of God's Word **God Hath Spoken** Bib Phila,Philadelphia Bible Conference Staff,1919

The Great Disappearance Dr. David Jeremiah,2023-10-03 An Instant Wall Street Journal USA Today and Publishers Weekly Bestseller The rapture is the central event in biblical prophecy But what does it mean for us today How can this crucial end-times event draw us nearer to God in a world that is seemingly on the brink of chaos Political turmoil economic uncertainty an ideological divide that feels increasingly impassable the signs of the times point us toward the end and that can be disconcerting But the greatest truth about the rapture is not its timing but its reality for blessed are all who long for His appearing The Great Disappearance is a culmination of decades of Dr Jeremiah studying end-times throughout the Bible In this definitive volume he will explain the meaning of the word rapture the difference between the rapture and the second coming and the joy of expecting our Savior to come at any given moment Dr Jeremiah will also explore key questions such as Who will be raptured When will it happen What will happen to those left behind What will believers experience when they are taken away to heaven Will non-believers still have time to repent and be saved Dr Jeremiah seeks to answer all of those questions and many more not with sensationalism or stories ripped from the headlines but with solid biblical truth Because God has laid out His plan for us in His Word so that we might not be caught unaware We may not know the exact date that the rapture will happen but we do know it will happen Are you ready for it Interested in learning more Don't miss out on *The Great Disappearance Study Guide* and be sure to check out other books by Dr David Jeremiah *The Book of Signs* *Where Do We Go from Here* *The World of the End* *Living with Confidence in a Chaotic World* *Is This The End After the Rapture* *The*

Great Disappearance Study Guide Prayer and Work for Israel ,1920 *The Church in the Coming Great Tribulation*
Steve Urick,2009-08-17 Christians today are widely being taught that the next event on the prophetic calendar is the any moment and signless Rapture of the Church Thus the bride of Christ will not have to go through the Great Tribulation But is that what the Bible truly teaches The Church in the Coming Great Tribulation examines the biblical doctrine of the Rapture and its timing in relation to the Day of the Lord as taught by Jesus and the apostles If you have questions about the Rapture or doubt some of the things that are being said by modern day prophecy teachers this timely work sheds light on the subject and will help to clear up any confusion you might have **Truth - Not Exactly** R. W. Mills,2004-09-22 Page Count 348
Truth Not Exactly reveals how an atheist found God This book contains his truth seeking process Deductive Theology which assisted in the discovery of Revealed Truth Further research concludes that God has absolutely communicated with us Gods revelation is investigated using the authors analytical skills from his business background He gets to the bottom line of many life impacting issues Gods revelation with man is compared with actual recorded history and what is found may change your ideas forever Answers to real issues are covered in a matter of fact manner There is no religious upbringing to protect Nothing is taboo It is a search for truth that became dangerous Previously accepted concepts and values were turned upside down The author was unprepared for the number of partial truths and blatant lies being fed to the masses lies that he had completely accepted as well This is not a standard theology book You may not agree but you will discover the truth about God It may be one of the most important books you read *Prophetic Messages for Modern Times* Robert J. Wells,1944

Prophetic Studies of the International Prophetic Conference, Chicago, November, 1886 ,1886 **Studying Prophecy**
Glynda Patton,2021-04-09 Jesus Christ gave His disciples information regarding what to look for in His second coming The Bible tells us And as He sat upon the Mount of Olives the disciples came unto Him privately saying Tell us when shall these things be and what shall be the sign of thy coming and the end of the world Matthew 24 3 But where else does the Bible give us information about His second coming Moreover which prophecies have already been fulfilled In this book you ll get answers to questions such as How should we think about prophecy as Christians When can we expect future prophecies to be fulfilled What role do symbols play in prophecy What keys will help us understand prophecy The central theme of prophecy is to point you and me to Jesus It is redemptive in value God wants us to know that He knows the future and that He has a plan for you and me Written for all walks of life the advanced student as well as the beginner this biblically rooted book will renew your faith as you walk with the Lord and find fulfillment **The Banner of Israel** ,1915 **The Coming Captivity and Restoration of Isreal** Rabbi Allan Moorhead,2016-11-01 Messianic Rabbi Allan Moorhead explores and dissects the books of the Bible to expound on revelations concerning the captivity and restoration of Israel While many believe the famous 1948 Arab Israeli War was the complete fulfillment of the prophetic passages in Zechariah and Daniel Rabbi Allan exegetes through thought provoking evidences that there is more to take place before we see the restoration of the Israeli nation and

poignantly correlates it to end time Bible prophecy End time Prophecies have proven to be an imperfect study since all has not been revealed to God s people yet We cannot understand prophecy in its entirety without understanding the history of Israel how it has affected many nations and brought us where we are today **The Expository Times** ,1894 **The Gospel in All Lands** ,1882 **The Hebrew Christian Witness** ,1872 **The Improvement Era** ,1919 The New-Church Review ,1920
