The first thing that you must put in mind is that time is precious. Just imagine this: Each of us in this world is given twenty-four hours in a day. That's a mere fact anyone can't deny. But why is it that some people achieve more while others achieve less in that same number of hours? It's because of the way we utilize the time we have. Once it is spent it can never be recreated. An hour spent doing nothing is an income wasted. That's exactly why passive income is so essential because time is more valuable than money.
